OTHER PROVISIONS

1. The undersigned acknowledges and agrees that he/she/it/they have read and understood all documentation in the Koa Ridge Design Guidelines corresponding to the Item(s) indicated above, and agree to install the Item(s) indicated above as specified in the corresponding request without alteration or modification. To the extent any modifications are necessary, the undersigned acknowledge that they must submit a revised Application covering the proposed improvements and comply with all other provisions of the Design Guidelines relating to such improvements. The undersigned agree further that no alterations will be made to the exterior of the Lot/Dwelling Unit/Commercial Unit except as approved in the Governing Documents. The undersigned agree to indemnify, release, and hold harmless the Master Association, the Master Board, the Managing Agent, and the Declarant, and their respective directors, employees, members, shareholders, and agents, against any and all harms or claims for damages in any way involving the Item. The undersigned agree that in the event the KRDRRC finds that the Item has not been installed as specified in the Application request, or has failed to provide any fees or documentation as required, the undersigned shall be required to make the Item conforming or be subject to fine or removal as provided in the Design Guidelines and/or the Fence & Wall Guidelines, where applicable. Failure to obtain written approval, or to follow approved plans, is a violation of the Declarations and Design Guidelines and can result in the removal of non-conforming alterations at the owner's expense, as well as the imposition of fines and/or penalties.
2. All necessary building permits must be obtained, as well as written approval of this application, before commencing any work, installation, construction, or excavation. A copy of the building permit and DPP stamped approved plans must be provided to the KRDRRC before commencement of work.
3. Owner is responsible for all property damage outside of the lot (which includes but is not limited to sidewalks, landscaping in planting strips and roads) during the work performed in connection with this application ("Work"). Owner and their contractor shall maintain an insurance policy covering the Work. Special Note for Multi-Family DETACHED Homes and Townhouses where applicable): Before your application can be considered, you must submit photos of all sidewalks and curbs surrounding your home so that if there is any damage to the curbs and sidewalks, we will be able to determine if the damage occurred before or after your improvements. This is for your protection as well as the builder. If the submitted photos show no prior damage to surrounding curbs and/or sidewalks and then during or at the conclusion of your improvements there is damage to the sidewalks and/or curbs, the owner shall be responsible for the cost of the repairs to the curbs and/or sidewalks. Failure to provide pictures prior to your application being considered shall result in the owner being charged for the cost of the repairs to the curbs and/or sidewalks upon discovery of the damage and/or completion of the improvement.
4. Review and written approval of any application pursuant to this article is made on the basis of aesthetic considerations only and neither the Association, the Association's Contracted Agent, or the Declarant (the Developer), shall bear any responsibility for ensuring the structural integrity or soundness of approved construction or modifications, nor for ensuring compliance with building codes and other governmental requirements. Neither the Declarant, the Association, the Association's Contracted Agent, the Board of Directors, any committee, director, employee, nor member of any of the foregoing shall be held liable for any injury, damages or loss arising out of the manner or quality of approved construction on or modifications to any lot.
5. All required sub-association, neighborhood committee, neighborhood association, or condominium association approvals must be obtained before commencing work.
6. Incomplete applications will be disapproved.
7. No application will be considered for review unless the owner is an association member in good standing (i.e. no outstanding violations, delinquencies, etc ...).
8. Termite treatment of ground is required before any concrete pours (sidewalks, driveways, lanai, etc.)
9. Owner is responsible to maintain the engineered drainage pattern of their property when **ANY** improvements are made.

Written approval of this application is required before commencing with any improvement/ construction. Failure to obtain written approval violates the Koa Ridge DCC&R and may result in the removal of non-conforming improvements/modification at the Owner's expense. Approval of this application does not reflect opinion or ratification of quality or soundness of the plans by Koa Ridge Association, its Board of Directors, employees, agent's assignees or members of the Design Committee. All required City and County Building Permits are the responsibility of the owner.

Owner acknowledges all provisions stated above. _____
