Preparation of this Report

The Developer prepared this report to disclose relevant information, including "material facts", that are reasonably known to the Developer about the condominium project covered by this report. This report has been prepared pursuant to the Condominium Property Act, Chapter 514B, Hawaii Revised Statutes ("HRS"), as amended from time to time. The law defines "material facts" as "any fact, defect, or condition, past or present that to a reasonable person, would be expected to measurably affect the value of the project, unit, or property being offered or proposed to be offered for sale."

This report has not been prepared or issued by the Real Estate Commission ("Commission") or any other governmental agency. The issuance by the Commission of an effective date for this Developer's Public Report (1) does not mean that the Commission approves or disapproves of the project, (2) does not mean that the Commission thinks that either all material facts or all pertinent changes, or both, about the project have been fully or adequately disclosed, and (3) is not the Commission's judgment of the value or merits of the project.

This report may be used by the Developer for promotional purposes only if it is used in its entirety. No person shall advertise or represent that the Commission has approved or recommended the project, this report, or any of the documents submitted with the Developer's application for registration of this project.

This report will be amended if, after the effective date of this report, any changes, either material or pertinent, or both, occur regarding the information contained in or omitted from this report. In that case, the Developer is required to immediately submit to the Commission an amendment to this report or an amended Developer's Public Report clearly reflecting the changes, including any omitted material facts, together with such supporting information as may be required by the Commission. In addition, the Developer may choose at any time to change or update the information in this report. Annually, at least thirty days prior to the anniversary date of the effective date of this report, the Developer shall file an annual report to update the material contained in this report. If there are no changes, the Developer is required to state that there are no changes. The Developer's obligation to amend this report or to file annual reports ends when the initial sales of all units in the project have been completed.

Purchasers are encouraged to read this report carefully and to seek professional advice before signing a sales contract for the purchase of a unit in the project.

Signing a sales contract may legally bind a purchaser to purchase a unit in the project; however, a purchaser may have rights to cancel or rescind a sales contract under specific circumstances.

For all sales information, please contact the developer and real estate broker on page 9.

Individuals with special needs may request this material by calling the State of Hawaii Real Estate Commission at 586-2644.

Special Attention - - Significant Matters

Use this page for special or significant matters which should be brought to the purchaser's attention. Subject Headings and page numbers where the subject is explained must be used.

The Developer's inclusion of a disclosure or an explanation of any or all of the following applicable significant matters in this part of the Developer's Public Report shall not be construed to constitute the Commission's:

- **Approval or disapproval of the project;**
- **Representation that the Developer has fully or adequately disclosed either all material facts or all pertinent changes, or both, concerning the project;**
- **Representation that the Developer's disclosures of other material facts elsewhere in this report are less important; or**
- **Judgment of the value or merits of the project.**

The Commission reserves the right to request that the Developer include these special and significant matters elsewhere in the Developer's Public Report.

A. SUMMARY OF PROJECT. This Report covers a 48-unit fee simple condominium project to be located at 94-1645 Kalanaola Drive, Waipahu, HI 96797 (Tax Key No: (1) 9-4-006-176 (por.)) and to be known as KE'OLU AT KOA RIDGE - PHASE I (the "Project"). In addition to the Project, the Developer is developing three (3) additional phases of Ke'olu at Koa Ridge for a four-phase total of approximately 216 units. The Developer has plans to merge the phases of Ke'olu at Koa Ridge; however, each phase of Ke'olu at Koa Ridge is a separate project, and the Developer, although it has the right to do so, is not obligated to merge the various projects. This Report covers the Project only and does not cover any of the other phases.

B. PROJECT DOCUMENTS.

1. All unit owners, their tenants, lessees, families, servants, guests, invitees, licensees, employees, and any other persons who may in any manner use the Project, or any part thereof, shall be bound by and subject to the provisions of Chapter 514B of the Hawaii Revised Statutes (the "Condominium Property Act") and to the provisions of the Declaration of Condominium Property Regime (the "Declaration"), the By-Laws, and all agreements, decisions and determinations of the Association as lawfully made or amended from time to time. All unit owners, their tenants, lessees, families, servants, guests, invitees, licensees, employees, and any other persons who in any manner use the Project, or any part thereof, shall comply strictly with the By-Laws and with the Rules and Regulations adopted pursuant thereto, as either of the same may be amended from time to time, and with the covenants, conditions and restrictions set forth in the Declaration. Failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief, or both, maintainable by the Managing Agent or the Board of Directors of the Association on behalf of the Association or by the Developer or, in a proper case, by an aggrieved unit owner.
2. Any owner who rents such owner's unit shall at all times remain primarily and severally liable to all other unit owners and to the Association for any failure on the part of such owner's tenant(s) to observe and comply with all provisions of the Declaration, the By-Laws, the Rules and Regulations and all other applicable laws.
3. A unit owner shall be responsible for the conduct of his tenants and their respective family members, invitees and guests.

C. KOA RIDGE COMMUNITY.

1. The Project is located within and is a part of a master planned community developed by the Developer and known as Koa Ridge. The current master plan for Koa Ridge contemplates residential (including affordable residential), commercial, mixed-use commercial/residential, light industrial, health care and other uses. During and after development, traffic, lights, noise, dust, vibration and other nuisances, disturbances or hazards to persons and property on or within the Project may be generated within Koa Ridge. See Exhibit L, Section 11, regarding Development Effects.
2. In connection with the development of Koa Ridge, the Developer entered into that certain Affordable Housing Agreement dated May 5, 2014, with the City and County of Honolulu (the "City"), which will be administered by the Department of Planning and Permitting of the City, pursuant to which a portion of the units within Koa Ridge will be made available for sale or rental, at certain prices or rentals and subject to certain conditions, to eligible persons or families with income levels below certain limits set by the government. This may result in certain units being sold or rented by the Developer at prices or rents below the prices or rents which may be available to the general public. The sale or rental of such units will be subject to certain restrictions, including but not limited to, eligibility requirements and restrictions on use and transfer.

- D. KOA RIDGE COVENANTS. All present and future unit owners, tenants and occupants of units in the Project are subject to that certain Declaration of Community Covenants for Koa Ridge recorded in the Bureau of Conveyances of the State of Hawaii, as amended, restated and supplemented from time to time (the "Koa Ridge Covenants"). The Koa Ridge Covenants provide, among other things, that the Association (a) shall act on behalf of the unit owners of the Project, (b) shall be deemed the "Parcel Owner" for the Project for all purposes under the Koa Ridge Covenants, (c) shall be the member of the Koa Ridge Owners Association with respect to the Project, and (d) shall be authorized to receive all notices on behalf of the unit owners of the Project. Unit owners will be required to pay assessments to the Koa Ridge Owners Association. A unit owner may be required to obtain the consent of the Architectural Review Committee of the Koa Ridge Owners Association before making alterations to said unit owner's unit or the limited common elements appurtenant to the unit, as set forth in the Koa Ridge Covenants.

See Exhibit P, regarding the Koa Ridge Covenants.

- E. RESIDENTIAL USE. Each unit shall be occupied and used for residential purposes only. If a unit owner rents his or her unit to any third party, the unit owner shall provide each tenant with a copy of the Declaration, the By-Laws and the Rules and Regulations. An owner who rents his or her unit shall at all times remain primarily and severally liable to all other unit owners and to the Association of Unit Owners of the Project for any failure on the part of such owner's tenant(s) to observe and comply with all provisions of the Declaration, the By-Laws, the Rules and Regulations and all other applicable laws. Notwithstanding any other provision contained in the Declaration or the By-Laws to the contrary, no unit shall be used for bed and breakfast establishment purposes, boarding facilities, rooming or lodging houses, group living facilities, the promotion or sale of timeshare, fractional ownership, exchange (whether the program is based on direct exchange of occupancy rights, cash payments, reward programs or other point or accrual systems) or other membership programs, plans or arrangements through which a participant in the program, plan or arrangement acquires an ownership interest in the unit with attendant rights of periodic use and occupancy or acquires contract rights to such periodic use and occupancy of the unit or acquires contract rights to a portfolio of accommodations including the unit (an "Occupancy Plan"), or for the operation of any business that directly or indirectly promotes the sale of an Occupancy Plan. Other than the foregoing restrictions (including restrictions contained in the condominium unit deed conveying a unit), the owners of the respective units shall have the right to lease the same, provided that such lease is in writing and for a term of not less than thirty (30) days, is in accordance with all applicable laws, and is expressly made subject to the covenants and restrictions contained in the Declaration, the By-Laws and the Rules and Regulations.

F. RESTRICTIONS ON USE AND TRANSFER OF UNITS.

1. The transfer of the units will be made subject to (and the Condominium Unit Deed will so provide) certain restrictions on the transfer, use and sale (the "City's Transfer, Use and Sale Restrictions") during the 10-year period from the closing of the sale of the unit (the "Restriction Period"). The City's Transfer, Use and Sale Restrictions require, among other things, that: (a) the unit must be occupied as buyer's principal residence at all times during the Restriction Period; and (b) if Buyer wishes to transfer title to the unit during the Restriction Period, among other things, the City shall have the option to (i) purchase the unit at a price and upon such terms as set forth in the Condominium Unit Deed conveying the unit, or (ii) require Buyer to sell the unit to a qualified resident, at a price and upon such terms, and who is in the same income category as the Buyer at the time of the original sale of the unit, all as approved by the City and as set forth in the Condominium Unit Deed conveying the unit. In the event that Buyer violates the requirement to occupy the unit as a principal residence during the Restriction Period, the City shall have the right to purchase the unit and/or to seek financial recourse from the owner, which financial recourse may include the appreciated value of the unit.

G. UNIT OWNER RESPONSIBILITIES.

1. Repair and Maintenance of Units and Common Elements.
 - a. The By-Laws provide that every unit owner shall at his or her own expense at all times well and substantially repair, maintain, amend and keep said owner's unit, including without limitation all doors, sliding glass doors (if any), windows, and window fixtures, and all internal installations within the unit such as water, electricity, gas, telephone, sanitation, lights, solar water heater (if any), air conditioning system (if any), and all other fixtures and accessories belonging to such unit, if any, and the interior decorated or finished surfaces of all walls, partitions, floors, ceilings and roofs of such unit, if any, with all necessary reparations and amendments whatsoever in good order and condition, except as otherwise provided by law or the Declaration, and shall be liable for all loss or damage whatsoever caused by his or her failure to perform any such work diligently, and in case of such failure after reasonable notice to perform shall reimburse to the Association promptly on demand all expenses incurred by it in performing any such work authorized by the Board of Directors or the Managing Agent.
 - b. In addition, each unit owner shall at said owner's own expense at all times well and substantially repair, maintain, amend and keep the Yard Area appurtenant to such owner's unit, in good order and condition. In case of such owner's failure after reasonable notice to keep the Yard Area as aforesaid, the Association (through the Board of Directors or the Managing Agent) shall have the right (but not the obligation) to perform any such work and the cost thereof shall be charged to such unit owner as a special assessment constituting a lien against his or her interest in his or her unit which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.
 - c. Except as hereinabove expressly provided to the contrary, all maintenance, repairs and replacements to the common elements, whether located inside or outside of the units, shall be made by the Board and be charged to all the owners as a common expense or a limited common expense; provided, however, that any such maintenance, repair or replacement necessitated by the negligence, misuse or neglect of a unit owner or occupant or any person under either of them, shall be charged to such unit owner or the unit owner of the unit of such occupant, as a special assessment constituting a lien against his or her interest in his or her unit which may be foreclosed by the Board or Managing Agent in the same manner as provided in the Condominium Property Act for unpaid common expenses.

2. Landscaping of Yard Area. Each unit owner shall landscape the Yard Area assigned to such owner's unit, which landscaping shall commence within three (3) months after the closing of the purchase of the unit and shall be completed within six (6) months after the closing of the purchase of the unit (unless the Yard Area has already been completely and permanently landscaped). Before commencing any Yard Area landscaping, each owner shall submit to the Board a landscape plan (which shall include, without limitation, a proposed plant list) for the Board's review and written approval, which approval shall not be unreasonably withheld or delayed. No alterations may be made to the landscaping within the Yard Areas without the prior written approval of the Board, which approval may be given or withheld in the Board's sole discretion.
3. Insurance. The Declaration provides that the Association of Unit Owners, at its common expense, shall purchase and maintain certain insurance for the Project, including property insurance on the common elements and commercial general liability insurance for claims and liabilities arising in connection with the ownership, existence, use or management of the Project. Unit owners shall insure their unit, the limited common elements appurtenant thereto, and the contents thereof for their own benefit and at their own expense.
4. Notice of Dispute; Disputes; Contractor Repair Act; Mediation; Arbitration; Disputes to be Made on Individual Basis; Buyer's Rights and Responsibilities. The Sales Agreement provides that if Closing of the purchase of the Unit by buyer from the Developer occurs, the following shall apply:
 - a. Notice of Dispute. If buyer has a claim against the Developer and/or the Developer's affiliates, arising out of the Sales Agreement or in any way connected with the design, development, construction, sale, marketing, financing, warranties, or any other activity or matter relating to the Property (a "Dispute"), buyer shall provide notice of the Dispute to the Developer in writing as soon as reasonably possible after buyer has become aware of the matter giving rise to the Dispute. If the Dispute is a construction defect covered by the Home Builder's Limited Warranty ("Limited Warranty Agreement") in the form attached to the Sales Agreement as a specimen, administered by Professional Warranty Service Corporation which is a third party company not affiliated with the Developer, covering "Construction Defects" relating to the Unit, as provided in Article V, Section D of the Sales Agreement, then buyer shall follow the notification provisions of the Home Builder's Limited Warranty.
 - b. Disputes Covered by Home Builder's Limited Warranty.
 - (1) If the Developer, in the Developer's sole discretion, determines that the Dispute is covered by the Limited Warranty Agreement, then the Dispute shall be resolved pursuant to the terms of the Limited Warranty Agreement including, if necessary, the mediation and final and binding arbitration provisions contained the Limited Warranty Agreement, which mediation and arbitration provisions are incorporated into the Sales Agreement.
 - (2) At the Developer's option, any mediation and/or arbitration undertaken pursuant to the terms of the Limited Warranty Agreement may include all or any of the Developer's agents, architects, consultants, engineers, contractors, subcontractors, suppliers, representatives or other third parties ("Related Parties"). Any action by buyer against any of the Related Parties (and not directly against the Developer) in respect of the Property which the Developer shall determine directly or indirectly affects the Developer and which involves a claim for construction defects as defined under the Limited Warranty Agreement, shall at the Developer's option, be subject to these mediation and arbitration provisions of the Limited Warranty Agreement.

- (3) All fees and costs in connection with the mediation and/or arbitration shall be allocated in accordance with the Limited Warranty Agreement; provided, however, that any fees and costs that are not addressed by the Limited Warranty Agreement shall be shared equally by buyer and the Developer.
- c. Contractor Repair Act. If the Dispute is not resolved pursuant to the Limited Warranty Agreement and is governed by the Hawaii Contractor Repair Act, Chapter 672E of the Hawaii Revised Statutes ("Contractor Repair Act"), the parties shall comply with the requirements of the Contractor Repair Act.

The provisions of Article III, Section I of the Sales Agreement are intended to comply with (and shall be construed consistent with) the requirements of the Contractor Repair Act. In the event of an irreconcilable conflict between the provisions of Article III, Section I of the Sales Agreement and the provisions of the Contractor Repair Act, the provisions of the Contractor Repair Act shall govern and control.

Pursuant to the requirements of the Contractor Repair Act, the Developer is required by law and does hereby give to buyer the following notice:

CHAPTER 672E OF THE HAWAII REVISED STATUTES CONTAINS IMPORTANT REQUIREMENTS YOU (i.e. BUYER) MUST FOLLOW BEFORE YOU MAY FILE A LAWSUIT OR OTHER ACTION FOR DEFECTIVE CONSTRUCTION AGAINST THE DEVELOPER OR RELATED CONTRACTORS WHO DESIGNED, REPAIRED, OR CONSTRUCTED YOUR UNIT. NINETY DAYS BEFORE YOU FILE YOUR LAWSUIT OR OTHER ACTION, YOU MUST SERVE ON THE DEVELOPER OR CONTRACTOR A WRITTEN NOTICE OF ANY CONSTRUCTION CONDITIONS YOU ALLEGE ARE DEFECTIVE. UNDER THE LAW, THE DEVELOPER OR CONTRACTOR HAS THE OPPORTUNITY TO MAKE AN OFFER TO REPAIR AND/OR PAY FOR THE DEFECTS. YOU ARE NOT OBLIGATED TO ACCEPT ANY OFFER MADE BY THE DEVELOPER OR A CONTRACTOR. THERE ARE STRICT DEADLINES AND PROCEDURES UNDER THE LAW, AND FAILURE TO FOLLOW THEM MAY NEGATIVELY AFFECT YOUR ABILITY TO FILE A LAWSUIT OR OTHER ACTION.

Any Dispute not resolved by the process provided for under the Contractor Repair Act shall be submitted to arbitration as provided below.

- d. Mediation of Disputes Not Covered by the Limited Warranty Agreement or Pursuant to the Contractor Repair Act. In the event the Developer determines in the Developer's sole discretion that the Dispute is not covered by the Limited Warranty Agreement or the Contractor Repair Act, the Developer shall so notify buyer, and buyer and the Developer shall attempt in good faith to settle such Dispute by non-binding mediation as provided below:
- (1) The mediation shall be conducted in Honolulu, Hawaii, and shall be administered by Dispute Prevention & Resolution, Inc. (the "Service"), in accordance with its Mediation Rules, Procedures and Protocols, except as may be inconsistent with this section.
- (2) The parties may agree on the selection of a single mediator instead of having a mediator appointed by the Service, and the parties may agree to use a recognized mediation service other than the Service. If the Service is not available, the parties may agree on the selection of a single mediator and if they are unable to agree on the selection of a single mediator, then any party may petition a court of competent jurisdiction in the State of Hawaii, for the appointment of a mediator or all parties may agree to waive mediation and have the Dispute decided by arbitration as provided below.

- (3) At the Developer's option, the mediation shall include all or any Related Parties as parties.
 - (4) Either party may notify the other party in writing of its request to commence mediation.
 - (5) Prior to the commencement of mediation, buyer agrees to provide the Developer, the Related Parties and their consultants with reasonable access to those portions of the Property that are the subject of the Dispute.
 - (6) The parties may agree on the date of commencement of the mediation; provided, however, that (1) if the parties are unable to agree on the date of commencement of the mediation and the mediation does not include Related Parties, then unless the parties otherwise agree, the mediation shall commence within thirty (30) calendar days after the Developer's written notice to buyer that the Dispute is not covered by the Limited Warranty Agreement or as soon thereafter as permitted by the mediator's schedule, or (2) if the parties are unable to agree on the date of commencement of the mediation and the mediation does include Related Parties, then unless the parties otherwise agree, the mediation shall commence within sixty (60) calendar days after the Developer's notice to buyer that the Dispute is not covered by the Limited Warranty Agreement or as soon thereafter as permitted by the mediator's schedule.
 - (7) The costs for the mediator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the mediation.
- e. Arbitration of Disputes Not Covered by the Limited Warranty Agreement or in the Event of Unenforceability of the Arbitration Provisions within the Limited Warranty Agreement. If the parties are unable to resolve the Dispute through mediation as provided in the preceding section and/or in the event that a Dispute is covered by the Limited Warranty Agreement but the arbitration provisions of the Limited Warranty Agreement are deemed unenforceable, then such Dispute shall be decided by arbitration as provided below:
- (1) The arbitration shall be held in Honolulu, Hawaii, shall be determined by a single arbitrator and shall be administered by the Service, in accordance with its Arbitration Rules, Procedures & Protocols (the "DPR Arbitration Rules"), except as may be inconsistent with this section.
 - (2) The parties may agree on the selection of a single arbitrator instead of having an arbitrator appointed by the Service, and the parties may agree to use a recognized arbitration service other than the Service. If the Service is not available, the parties may agree on the selection of a single arbitrator and if they are unable to agree on the selection of a single arbitrator, then either the Developer or buyer may request that a judge of the United States District Court for the District of Hawaii select the arbitrator.
 - (3) At the Developer's option, the arbitration shall include any of the Related Parties as parties.
 - (4) Notwithstanding anything herein, in the DPR Arbitration Rules or in the rules of any other arbitration service used for the arbitration (the "Other Rules"), the costs for the arbitrator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the arbitration.

- (5) Notwithstanding anything in the Sales Agreement, in the DPR Arbitration Rules or in the Other Rules, the parties waive, and agree not to pursue, any claims against each other for consequential damages, attorneys' fees or costs, witness fees or costs or other expenses arising in connection with the arbitration of any such Dispute, and the arbitrator shall not include any such consequential damages, attorneys' fees or costs, witness fees or costs or other expenses as part of the award.
- (6) Notwithstanding any provision contained in the Sales Agreement to the contrary, this arbitration provision and the rights and liabilities of the parties with respect to this arbitration provision shall be governed by, and construed and interpreted in accordance with the Federal Arbitration Act, as amended from time to time, to the exclusion of any state law, regulation or judicial decision. The award of the arbitrator shall be final and binding upon the parties and judgment on the award rendered by the arbitrator may be entered in any federal court of competent jurisdiction in the State of Hawaii.
- (7) All judicial proceedings brought against any of the parties arising out of or relating to this arbitration provision shall be brought in any federal court of competent jurisdiction in the State of Hawaii, and by execution and delivery of the Sales Agreement, buyer accepts the exclusive jurisdiction of the aforesaid court and waives any defense of forum non conveniens and irrevocably agrees to be bound by any judgment rendered thereby in connection with this arbitration provision.
- f. All Disputes to be Made on Individual Basis Only. Any and all Disputes, and whether or not arbitrated or litigated, shall be arbitrated or litigated on an individual basis only. To that effect, buyer and the Developer each waive its respective right to commence, become a party to, or remain a participant in, any class, consolidated or representative action ("Class Action Waiver").
- 5. Buyer's Rights and Responsibilities.
 - a. It is buyer's obligation and responsibility to read and comply with the Contractor Repair Act, the Sales Agreement and the Limited Warranty Agreement, and to consult with buyer's own legal and other advisors in the event that buyer desires to commence a legal action for a Dispute.
 - b. Buyer shall have the right, for a period of thirty (30) days after the date of the Sales Agreement, to elect not to participate in: (i) the arbitration provisions set forth in Article III, Section I.5 of the Sales Agreement (the "Arbitration Provisions"); and/or (ii) the Class Action Waiver set forth in Article III, Section I.6 of the Sales Agreement. By electing not to participate in the Arbitration Provisions and/or the Class Action Waiver, this means that the Arbitration Provisions and/or the Class Action Waiver would not apply to buyer with respect to a Dispute. In order to elect not to participate in the Arbitration Provisions and/or the Class Action Waiver, buyer must deliver or mail to the Developer, on or before thirty (30) days after the date of the Sales Agreement, written notice of buyer's election pursuant to the notice provisions contained in Article V, Section I.2 of the Sales Agreement. Buyer may obtain a form from the Developer for the election. Buyer shall not rely upon any representations by Developer or its representatives, but instead shall consult with buyer's own legal or other advisors, in making a decision on whether or not to elect not to participate in the Arbitration Provisions and/or the Class Action Waiver. If buyer does not deliver a timely written notice to the Developer as provided in this section, buyer and the Developer shall be subject to and shall abide by the terms and provisions of the Arbitration Provisions and the Class Action Waiver.

THIS SUMMARY IS NOT ALL-INCLUSIVE AND DOES NOT CONTAIN A COMPLETE DESCRIPTION OF THE PROJECT. THE PROSPECTIVE BUYER IS

CAUTIONED TO CAREFULLY REVIEW THIS REPORT AND THE DOCUMENTS FILED AT THE DEVELOPER'S SALES OFFICE IN CONNECTION WITH THE PROJECT FOR FURTHER INFORMATION IN CONNECTION WITH THE FOREGOING. General Information on Condominiums

A condominium is a special form of ownership of real property. To create a condominium in Hawaii after July 1, 2006, the Condominium Property Act, Chapter 514B, HRS, must be followed. In addition, certain requirements and approvals of the county in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land and/or the building(s) and other improvements are leased to the purchaser. The lease for the land usually requires that at the end of the lease term, the lessees (unit owners) deliver their interest in the land to the lessor (fee property owner).

If you are a typical condominium unit owner, you will have two kinds of ownership: (1) ownership in your individual unit; and (2) a percentage interest in the common elements.

You will be entitled to exclusive ownership and possession of your unit. Subject to the documents governing them, condominium units may be individually bought, sold, rented, mortgaged, or encumbered, and may be disposed of by will, gift, or operation of law.

Your unit will, however, be part of the group of units that comprise the condominium project. Study the project's Declaration of Condominium Property Regime, Bylaws of the Association of Unit Owners, Condominium Map, and House Rules, if any, which are being concurrently delivered to you with this report. These documents contain important information on the use and occupancy of the units and the common elements of the project, as well as the rules and regulations of conduct for unit owners, tenants, and guests.

For more general information on condominiums, please go to <http://www.hawaii.gov/hirec>. Contact the Hawaii Real Estate Commission's Condominium hot line at (808) 586-2644 from 9:00 AM to 3:00 PM, Monday through Friday. Contact the Developer and real estate broker on page 9 for any sales information.

Operation of the Condominium Project

The Association of Unit Owners is the entity through which unit owners may take action with regard to the administration, management, and operation of the condominium project. Each unit owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as a unit owner. The Board and officers can take certain actions without the vote of the unit owners. For example, the Board may: hire and fire employees; increase or decrease maintenance fees; adopt budgets for revenues, expenses, and reserves; and regulate the use, maintenance, repair, and replacement of common elements. Some of these actions may significantly impact the unit owners.

Until there is a sufficient number of purchasers of units to elect a majority of the Board, it is likely that at first the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development, and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective purchasers should understand that it is important to all unit owners that the transition of control from the Developer to the unit owners be accomplished in an orderly manner and in a spirit of cooperation.

3. CREATION OF THE CONDOMINIUM AND CONDOMINIUM DOCUMENTS

A condominium is created by recording in the Bureau of Conveyances (Regular System) or filing in the Office of the Assistant Registrar of the Land Court, or both, a Declaration of Condominium Property Regime, a Condominium Map, and the Bylaws of the Association of Unit Owners. The Condominium Property Act (Chapter 514B, HRS), Declaration, Bylaws, and House Rules control the rights and obligations of the unit owners with respect to the project and the common elements, to each other, and to their respective units.

3.1 Declaration of Condominium Property Regime

The Declaration of Condominium Property Regime contains a description of the land, buildings, units, common interests, common elements, limited common elements, and other information relating to the condominium project.

House Rules may cover matters such as parking regulations, hours of operation for common facilities such as recreation areas, use of lanais and requirements for keeping pets. These rules must be followed by owners, tenants, and guests. They do not need to be recorded or filed to be effective. The initial House Rules are usually adopted by the Developer. Changes to House Rules do not need to be recorded to be effective.

Where permitted, the minimum percentages of the common interest that must vote for or give written consent to changes to the Declaration, Bylaws, and Condominium Map are set forth below. The percentages for any individual condominium project may be more than the minimum set by law if the Declaration or Bylaws for the project so provide.

If you are delinquent in paying the assessments, a lien may be placed on your unit and the unit may be sold through a foreclosure proceeding. Initial maintenance fees are difficult to estimate and tend to increase as the condominium ages. Maintenance fees may vary depending on the services provided.

Exhibit K contains a breakdown of the estimated annual maintenance fees and the monthly estimated maintenance fee for each unit, certified to have been based on generally accepted accounting principles, with the Developer's statement as to when a unit owner shall become obligated to start paying the unit owner's share of the common expenses. The breakdown includes the annual reserve contributions based on a reserve study (§514B-83(a)(3), HRS).

5.6 Developer's Use of Purchaser Deposits to Pay for Project Construction Costs Before Closing or Conveyance

☐

Spatial Units. The Developer hereby declares by checking the box to the left that it is offering spatial units (units without any structures) for sale and will not be using purchasers' deposits to pay for any costs for project construction or to complete the project.

5.6.1 Purchaser Deposits Will Not Be Disbursed Before Closing or Conveyance

☒

The Developer hereby declares by checking the box to the left that it shall use its own funds to complete the construction of the condominium project by the date indicated in Section 5.5 of this report, and the Developer, pursuant to its own analysis and calculations, certifies that it has sufficient funds to complete the construction of the condominium project.

If this box is checked, Section 5.6.2, which follows below, will not be applicable to the project.

Should the Developer be using purchasers' deposits to pay for any project construction costs or to complete the project including lease payments, real property taxes, architectural, engineering, legal fees, or financing costs, or costs to cure violations of county zoning and building ordinances and codes or other incidental project expenses, the Developer has to meet certain requirements, described below in 5.6.2.

The Developer is required to deposit all monies paid by purchasers in trust under a written escrow agreement with a Hawaii licensed escrow depository. Escrow shall not disburse purchaser deposits to the Developer or on behalf of the Developer prior to closing, except if a sales contract is canceled or if the Developer has met certain requirements, which are described below.

5.6.2 Purchaser Deposits Will Be Disbursed Before Closing

Hawaii law provides that, if certain statutory requirements are met, purchaser deposits in escrow under a binding sales contract may be used before closing to pay for certain project costs. For this project, the Developer indicates that purchaser deposits may be used for the following purposes (check applicable box):	
<input type="checkbox"/>	For new construction: to pay for project construction costs described in the Developer's budget and approved by the Developer's lender or an otherwise qualified, financially disinterested person;
<input type="checkbox"/>	For conversions: to pay for repairs necessary to cure violations of county zoning and building ordinances and codes, for architectural, engineering, finance and legal fees, and for other incidental expenses.

In connection with the use of purchaser deposits (check Box A or Box B):

Box A <input type="checkbox"/>	<p>The Developer has submitted all information and documents required by law and the Commission prior to the disbursement of purchaser deposits before closing. This means that the Developer may use such deposits before closing. If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>If Box A is checked, you should read and carefully consider the following notice, which is required by law:</p> <p><u>Important Notice Regarding Your Deposits:</u> Deposits that you make under your sales contract for the purchase of the unit may be disbursed before closing of your purchase to pay for project costs, construction costs, project architectural, engineering, finance, and legal fees, and other incidental expenses of the project. While the developer has submitted satisfactory evidence that the project should be completed, it is possible that the project may not be completed. If your deposits are disbursed to pay project costs and the project is not completed, there is a risk that your deposits will not be refunded to you. You should carefully consider this risk in deciding whether to proceed with your purchase.</p>
Box B <input type="checkbox"/>	<p>The Developer has <u>not</u> submitted all information and documents required by law and the Commission, and, until all such information and documents are submitted, the Developer cannot use purchaser deposits.</p> <p>If the Developer later submits all information and documents required by law and the Commission for the use of purchaser deposits, then the Developer must provide an amendment to this report or an amended developer's public report to each purchaser who has signed a sales contract. At such time, the <u>Important Notice Regarding Your Deposits</u> set forth immediately above will apply to all purchasers and will be restated in the amendment to this report or an amended developer's public report. When an effective date for such an amendment or an amended developer's public report is issued, <u>you will not have the right to rescind or cancel the sales contract by reason of such submission and amendment.</u> (This, however, does not affect your right to rescind for material changes or any other right you may have to rescind or cancel the sales contract, as described in Section 5.8 below.) If the Developer decides not to use purchaser deposits before closing, the Developer does not need to amend this report.</p> <p>You should understand that, although the <u>Important Notice Regarding Your Deposits</u> set forth above does not currently apply to you, it might apply to you in the future, and, therefore, you should read and carefully consider it now to ensure that you understand the risk involved in deciding whether to proceed with your purchase.</p>

Material House Bond. If the Developer has submitted to the Commission a completion or performance bond issued by a material house instead of a surety as part of the information provided prior to the use of purchaser deposits prior to closing or conveyance of a unit, the Developer shall disclose the same below and disclose the impact of any restrictions on the Developer's use of purchaser deposits.

5.7 Rights Under the Sales Contract

Before signing the sales contract, prospective purchasers should carefully review all documents relating to the project. These include but are not limited to the documents listed below. Items 2, 3, and 4 are made a part of this public report, as well as Item 5, if any, and are being delivered to you with this report.

5.8 Purchaser's Right to Cancel or Rescind a Sales Contract

A purchaser's right to cancel a sales contract or to rescind a sales contract may arise under varying circumstances. In the sections below, some circumstances that will give rise to a purchaser's right to cancel or rescind are described, together with what a purchaser must do if the purchaser wishes to exercise any of the rights.

5.8.1 When a Sales Contract becomes Binding and Purchaser's 30-Day Right to Cancel a Sales Contract

A sales contract signed by a purchaser and the Developer will not become binding on a purchaser or the Developer until the following events have taken place:

- (1) The purchaser has signed the sales contract.
- (2) The Developer has delivered to the purchaser a true copy of the Developer's public report with an effective date issued by the Commission, together with all amendments to the report as of the date of delivery, and the project's recorded Declaration, Bylaws, House Rules (if any), the Condominium Map, and any amendments to them to date (all of which are a part of the developer's public report). If it is impracticable to include a letter-sized Condominium Map, the Developer must provide written notice of an opportunity to examine the Condominium Map.
- (3) The Developer has delivered to the purchaser a notice of the purchaser's 30-day cancellation right on a form prescribed by the Commission.
- (4) The purchaser does at least one of the following:
 - (a) Waives the purchaser's right to cancel the sales contract within 30 days from receipt of the notice of the purchaser's 30-day cancellation right; or
 - (b) Allows the 30-day cancellation period to expire without exercising the right to cancel; or
 - (c) Closes the purchase of the unit before the 30-day cancellation period expires.

The purchaser or the Developer may cancel the sales contract at any time during the 30-day cancellation period, and the sales contract will be canceled and the purchaser's deposits returned to the purchaser, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.

5.8.2 Right to Cancel a Sales Contract if Completion Deadline Is Missed

In addition to the purchaser's 30-day cancellation right described in Section 5.8.1 above, when a sales contract is signed before completion of construction of a project, the purchaser will have the right to cancel if the unit is not completed by certain deadlines. In conversion projects, there must be a deadline for completion of any required repairs. Every sales contract shall contain an agreement of the Developer that the completion of construction shall occur on or before the completion deadline and that completion deadline is set forth in this report in Section 5.5. The sales contract shall provide that the purchaser may cancel the sales contract at any time after the specified completion deadline, if completion of construction does not occur on or before the completion deadline, as the same may have been extended. Upon a cancellation, the purchaser's deposits shall be refunded, less any escrow cancellation fee and other costs associated with the purchase, up to a maximum of \$250.00.

5.8.3 Purchaser's Right to Rescind a Binding Sales Contract After a Material Change

If a "material change" in a project occurs after a purchaser has signed a sales contract that has become binding, the purchaser will have a 30-day right to rescind after notification and description of the material change. A material change is defined in the Condominium Property Act to be any change that "directly, substantially and adversely affects the use or value of (1) a purchaser's unit or appurtenant limited common elements; or (2) those amenities of the project available for the purchaser's use."

The purchaser will be informed of the material change by the Developer on a form prescribed by the Commission containing a description of the material change.

After notice of the material change, the purchaser may waive the right to rescind by:

- (1) Checking the waiver box on the rescission form; or
- (2) Letting the 30-day rescission period expire, without taking any action to rescind; or
- (3) Closing the purchase of the unit before the 30-day rescission period expires.

The rescission form must be signed by all purchasers of the affected unit and delivered to the Developer no later than midnight of the 30th calendar day after the purchasers received the rescission form from the Developer. Purchasers who validly exercise the right of rescission shall be entitled to a prompt and full refund of any moneys paid.

A rescission right shall not apply in the event of any additions, deletions, modifications, and reservations including, without limitation, the merger or addition or phasing of a project made pursuant to the terms of the project's Declaration.

These provisions shall not preclude a purchaser from exercising any rescission rights pursuant to a contract for the sale of a unit or any applicable common law remedies.

PETS

(a) No livestock, poultry or other animals or pets whatsoever shall be allowed or kept in any unit or any other part of the Project, except that dogs, cats and other household pets (as determined by the Board) in reasonable number and size as determined by the Board (but not to exceed a total of two (2) such animals per unit except for fish) may be kept in the unit and/or the Yard Area appurtenant to such unit.

(b) In no case shall any animal prohibited by any applicable law (including the Condominium Property Act) be allowed anywhere on the Project.

(c) Pets may not be kept, bred or used in any unit for any commercial purposes.

(d) Except as otherwise provided in the By-Laws, no pets shall be allowed on the common elements (other than the Yard Areas) except in transit and when carried or on a short leash. Pets on leashes and at all times under the complete control of a capable person may be exercised or walked on the common elements, but not in garden areas. No owner or occupant shall permit his or her pet(s) to produce or cause any waste or unsanitary material or condition anywhere on the common elements, and any such waste or unsanitary material or condition shall be immediately removed and disposed of or remedied by such owner or occupant.

(e) Any pet which, in the sole judgment of the Board, causes a nuisance, unreasonable disturbance or threat to the health or safety of any owner, occupant or guest may be ejected from the Project on the demand of the Managing Agent or resident manager; provided, however, that upon assessment of the severity of the nuisance, disturbance or threat caused by such pet, the Board, in its sole discretion, may give the pet's owner an opportunity to remedy the situation short of ejectment.

(f) Notwithstanding the foregoing restrictions on pets or anything contained in the By-Laws to the contrary, service animals upon which disabled owners, occupants or guests depend for assistance shall be permitted to be kept by such owners, occupants and guests in their units and/or the Yard Areas appurtenant to such units and shall be allowed to walk throughout the common elements while on a leash, provided that such animals shall at all times be accompanied by their owners while present upon the common elements (other than the Yard Areas). If such a service animal causes a nuisance or unreasonable disturbance or poses a threat to the health or safety of any

owner, occupant or guest, the owner thereof will be given an opportunity to rectify the problem by measures which fall short of ejection of the animal from the Project. Ejection will be required only if the Board reasonably determines that less drastic alternatives have been unsuccessful. If such an animal is ejected, it will nonetheless be allowed to remain at the Project for a reasonable period of time while the owner thereof attempts to find a suitable replacement animal, provided that the problem is controlled to a sufficient degree that the continued presence of the animal during that time does not constitute an unreasonable imposition upon, or threat to the safety or health of, other owners, occupants or guests.

(g) In no event shall the Board, the Association, the Managing Agent or resident manager be or be deemed to be liable for any loss, damage or injury to persons or property caused by or arising in connection with any owner's, occupant's or guest's pet or service animal. By acquiring an interest in a unit in the Project, each owner agrees to indemnify, defend and hold harmless the Board, the Association, the Managing Agent and the resident manager against any claim or action at law or in equity arising out of or in any way relating to such owner's or occupant's or guest's pet or service animal.

(h) All pets and other animals kept anywhere on the Project must be registered immediately with the Managing Agent.

ESTIMATE OF INITIAL MAINTENANCE FEES

1. BREAKDOWN OF ANNUAL MAINTENANCE CHARGES AND
ESTIMATED COSTS FOR EACH UNIT:

Attached as Exhibit "1" is a breakdown of the annual maintenance charges and the monthly estimated cost for each unit in the Project, prepared by Hawaiiana Management Company, Ltd., a Hawaii corporation, for the one-year period commencing January 1, 2025 and certified to have been based on generally accepted accounting principles. The attached breakdown of annual maintenance charges and the estimated cost for each unit are subject to change based on actual costs of the items listed. The Developer can make no assurances regarding the estimated maintenance assessments. Variables such as inflation, uninsured casualty loss or damage, increased or decreased services from those contemplated by the Developer, unit owner delinquencies and other factors may cause the maintenance assessments to be greater or less than the estimated maintenance assessments. The breakdown of the estimated cost for each unit contained in Exhibit "1" does not include the buyer's obligation for the payment of real property taxes. Estimates of the real property taxes will be provided by the Developer upon request.

NOTE: THE DEVELOPER ADVISES THAT COSTS AND EXPENSES OF MAINTENANCE AND OPERATION OF A CONDOMINIUM PROJECT ARE VERY DIFFICULT TO ESTIMATE INITIALLY AND EVEN IF SUCH MAINTENANCE CHARGES HAVE BEEN ACCURATELY ESTIMATED, SUCH CHARGES WILL TEND TO INCREASE IN AN INFLATIONARY ECONOMY AND AS THE IMPROVEMENTS AGE. MAINTENANCE CHARGES CAN VARY DEPENDING ON SERVICES DESIRED BY UNIT OWNERS. THE BUYER SHOULD EXAMINE THE MAINTENANCE CHARGE SCHEDULE TO SEE WHAT SERVICES ARE INCLUDED IN THE SCHEDULE.

2. TEMPORARY ASSUMPTION BY DEVELOPER OF ACTUAL COMMON EXPENSES (NOT APPLICABLE TO KOA RIDGE OWNERS ASSOCIATION ASSESSMENTS):

The Developer will assume all the actual common expenses of the Project (and therefore a unit owner will not be obligated for the payment of his respective share of the common expenses) until such time as the Developer sends the owners written notice that, after a specified date, the unit owners shall be obligated to pay for the portion of common expenses that is allocated to their respective units. The Developer shall have no obligation to pay for any cash reserves or any other reserve amounts with respect to or attributable to the period during which the Developer assumes the actual common expenses of the Project.

3. KOA RIDGE OWNERS ASSOCIATION ASSESSMENTS:

The Association shall be a member of the Koa Ridge Owners Association, and each unit owner will be required to pay Base Assessments and other assessments to the Association for remittance to the Koa Ridge Owners Association, as provided in the Koa Ridge Covenants.

Unit owners may also be required to pay Special Benefited Area Assessments for any Special Benefited Area services or facilities that are made available to them or to the Project.

As of January 1, 2025, the quarterly Base Assessment for each unit is \$217.56.

SUMMARY OF SALES AGREEMENT

A specimen Sales Agreement has been submitted to the Real Estate Commission and is available in the Sales Office of the Seller. ALL BUYERS AND PROSPECTIVE BUYERS SHOULD CAREFULLY READ THE SALES AGREEMENT, INCLUDING ANY ADDENDUM, IN FULL, since this summary is NOT A COMPLETE DESCRIPTION of their provisions. The Sales Agreement, among other things, covers in more detail the following items:

1. The Declaration of Merger of Condominium Phases (hereinafter called the "Declaration of Merger"), among other things, gives Seller the right, in its sole and absolute discretion, to cause and effect an administrative merger or mergers of the Project with a condominium project or projects located or to be located on lands (or a portion or portions thereof) in the vicinity of the land of the Project, as part of the same incremental plan of development of the Project, such that the use of the respective common elements, the respective common expenses and the management of the respective affairs of the Project and the additional phases are shared, and the administration of the Project and the additional phases is unified under one association of unit owners, but the ownership interests of the unit owners in the Project and the additional phases are not altered or affected. The Declaration of Merger also gives the Seller the right, in its sole and absolute discretion, to cause and effect an ownership merger or mergers of the Project and the additional phases, as an alternative to an administrative merger or mergers of the Project and the additional phases, to provide for the common ownership of the Project and the additional phases by all of the unit owners of the Project and the additional phases. Upon an ownership merger, all of the units in the merged phases shall be treated as though they were all included in a single condominium project (the "Merged Project"), all common elements of the merged phases will become the common elements of the Merged Project, and the common interest appurtenant to the Unit shall be decreased from the percentage set forth in Article I of the Sales Agreement to a percentage as set forth in the "Certificate of Ownership Merger" recorded by the Seller, in accordance with the Declaration of Merger. By accepting an interest in the Project, buyer (a) agrees to cooperate with the Seller in the merger of the Project and the additional phases, (b) consents and agrees to an administrative merger or mergers or an ownership merger or mergers, (c) agrees to execute any document or instrument necessary or appropriate, as determined in the sole and absolute discretion of the Seller, to carry out an administrative merger or mergers or an ownership merger or mergers, and (d) irrevocably appoints the Seller the true and lawful attorney of buyer, in buyer's name, place and stead, to execute, acknowledge, deliver and file and/or record

any document(s) or instrument(s) necessary or appropriate, as determined in the sole and absolute discretion of the Seller, to effect an administrative merger or mergers or an ownership merger or mergers, all as more fully set forth in the Declaration of Merger. Nothing herein will be deemed to require Seller to develop the additional phases or to merge the additional phases into the Project, or to prohibit Seller from dealing with any lands adjacent to the Project not merged with the Project, including without limitation, developing all or any part of such lands for purposes inconsistent with the merger of such lands into the Project.

2. Buyer acknowledges that (a) pursuant to that certain Acquisition, Development and Building Loan Agreement entered as of February 14, 2020 (as amended, supplemented, renewed, replaced or modified from time to time, the "Loan Agreement") among Seller, as Borrower, and Wells Fargo Bank, National Association, as Administrative Agent (in such capacity, the "Administrative Agent") and certain lenders from time to time parties to the Loan Agreement (the "Lenders") and Wells Fargo Securities, LLC, as Sole Lead Arranger and Sole Book Runner, the Lenders have agreed to make a loan (the "Loan") to Seller in the principal amount of \$180,000,000, pursuant to the Loan Agreement and the other loan documents executed in connection therewith (as the same may be amended, supplemented, renewed, replaced or modified from time to time, collectively, the "Loan Documents"). To secure, among other things, the payment and performance of all sums and obligations owing by Seller under the Loan, Seller has granted or will grant to the Administrative Agent as agent for the Lenders, a Construction Mortgage with Absolute Assignment of Leases and Rents, Security Agreement, Fixture Filing and Financing Statement (as amended, supplemented, renewed, replaced or modified from time to time, the "Mortgage"), covering Seller's interest in the Land and the Project, including the Property covered by the Sales Agreement. The proceeds of the Loan shall be used for the purposes permitted under, and to the extent not prohibited by, the Loan Documents. Buyer acknowledges and agrees that all security interests obtained by the Agent in connection with the Mortgage and the Loan Documents shall be and remain at all times a lien or charge on the Project, including the Property covered by the Sales Agreement, prior to and superior to any and all liens or charges on the Project arising from the Sales Agreement. Buyer hereby intentionally waives, relinquishes and subordinates the priority or superiority of any lien under the Sales Agreement in favor of the lien or charge on the Project of the Mortgage and the Loan Documents. Buyer further undertakes and agrees to execute any further documentation or subordination agreement required by Seller or the Agent to evidence this subordination within five (5) days of a request to do so, and Seller shall have the right in its sole discretion to cancel the Sales Agreement if Buyer fails or refuses to do so. **BUYER GIVES UP AND SUBORDINATES THE PRIORITY OF BUYER'S RIGHTS AND INTERESTS UNDER THE SALES AGREEMENT IN FAVOR OF THE RIGHTS AND INTERESTS OF THE AGENT UNTIL THE FINAL CLOSING, DELIVERY AND RECORDATION OF A SIGNED CONDOMINIUM UNIT DEED TO THE BUYER.**

3. Seller may elect to cancel the Sales Agreement if the buyer fails to deliver to Seller a signed conditional loan commitment from a lender within sixty (60) days after application, or Seller may cancel the Sales Agreement and hold buyer in default if the buyer plans to pay the purchase price in cash but the buyer fails to provide Seller with documents of the buyer's ability to make the cash payments. If the buyer has performed the Mortgage Loan Acts but the buyer's loan application is rejected or not approved within sixty (60) days after application, then the buyer may (but does not have to) cancel the Sales Agreement by giving written notice to Seller on or before seventy (70) days after application.

4. Buyer understands and agrees that (a) Seller's obligation to provide landscaping within the common elements (other than the limited common elements) of the Project will be deemed fully satisfied upon planting of the plant materials (which need not be in full coverage and maturity) and installation of the irrigation system pursuant to Seller's landscaping plans, as the same may be amended from time to time in Seller's sole discretion; (b) installation of the plant materials and irrigation system may be completed after the Closing Date; (c) full maturity of the plant materials will only be reached over an extended period of time and Seller is not responsible for providing landscaping maintenance to reach full coverage and maturity; and (d) the Association will be responsible for maintaining the landscaping after installation thereof, even if the landscaping has not reached full coverage or maturity.

5. The Condominium Map for the Project is intended to show only the layout, location, boundaries, dimensions and numbers of the units in the Project. Buyer understands and acknowledges that items shown on the Condominium Map, including, without limitation, the metes and bounds or dimensions of the limited common elements, such as yard areas, may change due to field changes and other factors, and Seller reserves the right to amend the Condominium Map, the Declaration and the other Project documents from time to time to reflect such changes. BUYER AGREES THAT THE CONDOMINIUM MAP IS NOT INTENDED TO BE AND IS NOT A REPRESENTATION OR WARRANTY OF ANY KIND BY SELLER.

6. BUYER AGREES THAT NO ONE (INCLUDING THE SELLER OR ANY SALESPERSON) HAS TALKED TO BUYER AT ALL ABOUT ANY RENTAL INCOME OR RENTAL OR SALES SERVICES FOR BUYER'S UNIT. IF BUYER WANTS TO RENT OR SELL THE UNIT, HOW BUYER DOES IT WILL BE UP TO BUYER SUBJECT TO THE RESTRICTIONS CONTAINED IN THE SALES AGREEMENT. BUYER ALSO AGREES THAT NO ONE HAS TALKED TO BUYER AT ALL ABOUT INCOME FROM THE UNIT OR ANY OTHER ECONOMIC BENEFIT TO BE DERIVED FROM THE PURCHASE OR OWNERSHIP OF THE UNIT OR ABOUT THE TAX EFFECTS OF BUYING THE UNIT.

7. The transfer of the Property to buyer will be made subject to (and the Condominium Unit Deed will so provide) certain restrictions on the transfer, use and sale (the "City's Transfer, Use and Sale Restrictions") during the 10-year period from the closing of the sale of the unit (the "Restriction Period"). The City's Transfer, Use and Sale Restrictions require, among other things, that: (a) the Property must be occupied as Buyer's principal residence at all times during the Restriction Period; and (b) if buyer wishes to transfer title to the Property during the Restriction Period, among other things, the City shall have the option to (i) purchase the Property at a price and upon such terms as set forth in the Condominium Unit Deed conveying the Property, or (ii) require buyer to sell the Property to a qualified resident, at a price and upon such terms, and who is in the same income category as the buyer at the time of the original sale of the Property, all as approved by the City and as set forth in the Condominium Unit Deed conveying the unit. In the event that buyer violates the requirement to occupy the Property as a principal residence during the Restriction Period, the City shall have the right to purchase the Property and/or to seek financial recourse from the owner, which financial recourse may include the appreciated value of the Property. The City's Transfer, Use and Sale Restrictions set forth in Exhibit C of the Sales Agreement will also be incorporated in an exhibit to the Condominium Unit Deed. Buyer acknowledges and agrees that Buyer has read and reviewed, and approves and accepts all of the terms and conditions of the City's Transfer, Use and Sale Restrictions, and Buyer further agrees to accept title to the Property subject to the City's Transfer, Use and Sale Restrictions.

8. Buyer will pay for the following closing costs: all of the Escrow fee, notary fees, appraisal fees, recording costs, charges for buyer's credit report, costs of preparing any mortgages and promissory notes, and title insurance costs. Buyer will also pay mortgage costs. Buyer will also pay a nonrefundable start-up fee which will be held and used by the Seller and the first Managing Agent of the Association to pay for certain initial common expenses of the Project such as insurance premiums and as a working capital fund for the benefit of all the unit owners. Buyer agrees that Seller does not have to pay any start-up fee for any unit in the Project if it is owned by Seller. Buyer also will pay an advance maintenance fee, the Koa Ridge Owners Association start up assessment and the Koa Ridge Owners Association assessment. Proration of maintenance charges and other common expenses, real property taxes, and Koa Ridge Owners Association assessments will be made as of the scheduled Closing Date.

9. If, prior to Closing, buyer fails to make any payment when it is due or fails to keep any of buyer's other promises or agreements contained in the Sales Agreement, then Seller will have the right, at Seller's sole option and in addition to any other rights contained in the Sales Agreement, to do any one or more of the following:

(a) Seller may cancel the Sales Agreement by giving buyer written notice of cancellation and Seller may keep all sums paid by buyer under the Sales Agreement as "liquidated damages" (i.e., the amount agreed to by buyer and Seller as

properly payable in settlement for breach of contract), and not as a penalty. Without limiting the generality of the foregoing, buyer understands and acknowledges that if buyer defaults under the Sales Agreement, Seller may keep the Option Deposit (as defined in the Sales Agreement) in addition to all other sums paid by buyer under the Sales Agreement. If Seller cancels the Sales Agreement, buyer agrees that it will be difficult and expensive to determine the amount of loss or damage Seller will suffer. This is because of, among other things, Seller's commitments relating to the financing of the Project, the effect of default and cancellation of one sale on other unit sales, and the nature of the real estate market in Hawaii. Buyer agrees that the sums paid by buyer under the Sales Agreement are a reasonable estimate of a fair payment to Seller for Seller's loss or damage resulting from buyer's default.

(b) Seller may file a lawsuit for damages.

(c) Seller may file a lawsuit for "specific performance" (in other words, a lawsuit to make buyer keep all of buyer's promises and agreements).

(d) Seller may take advantage of any other rights which the law allows or which Seller may have under the Sales Agreement.

Buyer also agrees to pay for all costs, including Seller's reasonable lawyers' fees (for both in-house and outside counsel) and the escrow cancellation fee, which are incurred because of buyer's default.

10. If, prior to Closing, Seller fails to keep any of Seller's promises or agreements contained in the Sales Agreement, buyer, if not in default hereunder, may file a lawsuit for specific performance to require Seller to go through with the Sales Agreement or buyer may exercise any other remedy to which buyer is entitled to at law or equity, including cancel the Sales Agreement, if applicable. If buyer cancels the Sales Agreement because of Seller's default, Seller will repay to buyer all sums paid by buyer to Seller or Escrow under the Sales Agreement.

11. The buyer understands, acknowledges, covenants and agrees to the following:

(a) Agricultural Effects. The Property is located on and is near or adjacent to lands and easements which are, may be, or were used for or in connection with agricultural operations, which may include, but are not limited to, trucking, plowing, hauling, fertilizing, grading, storing, herbicide and pesticide spraying, crop dusting, water diversion, irrigation, and all other activities incidental to the planting, cultivating, harvesting and processing of crops, including night time activities, and the grazing and raising of livestock, poultry and other animals, which may from time to time cause surface water runoff, noise, soot, ash, smoke, dust, light, heat, vapors, odors, chemicals, vibrations, insect pests, and other substances and phenomena of every description

(collectively, the "Agricultural Effects") to be discharged, emitted, dispersed or transmitted over and upon the Property which may bother or be a nuisance to the buyer and any person occupying or using the Property, and the buyer also acknowledges that the Hawaii Right to Farm Act (Chapter 165 of the Hawaii Revised Statutes) and Hawaii law limit the circumstances under which farming operations may be deemed to be a nuisance;

(b) Airport Effects. The Property is located in the vicinity of the Daniel K. Inouye International Airport, and aircraft may fly in the proximity of or directly over the Property, and such overflights and other airport-related activities may result in noise, dust, vibration, and other nuisances, disturbances or hazards (collectively, the "Airport Effects") to persons and property on or within the Property;

(c) Military Effects. The Property is located in the vicinity of military aircraft facilities, military activities may be conducted in the vicinity of the Property, and such military activities may result in noise, dust, vibration, and other nuisances, disturbances or hazards (the "Military Effects") to persons and property on or within the Property;

(d) Utility Effects. The Property is or may be located adjacent to or in the vicinity of electric, gas, water, sewer and other utilities and public roads and thoroughfares, including, without limitation, such things as sewer lines, electrical substations, high-powered electrical transmission lines, water pump stations, water tanks, reservoirs, freeways and exit ramps which may result in nuisances, such as odors, noise and dust, disturbances or hazards (collectively, the "Utility Effects") to persons and to property on or within the Property. The Utility Effects include, without limitation, odors that could possibly come from sewer lines or facilities. In recent years, concerns also have been raised about possible adverse health effects of electric and magnetic fields from power lines. Seller is not insuring or guaranteeing the health of Buyer or other occupants or users of the Property and disclaims liability for personal injury, illness or any other loss or damage caused by or arising from the Utility Effects including, without limitation, odors and the presence or malfunction of any electrical distribution systems that may be located adjacent to, near, or over any part of the Property;

(e) Development Effects. (i) The Property is or may be located adjacent to or in the vicinity of various construction activities, including, but not limited to, ongoing residential (including affordable residential), commercial, mixed-use commercial/residential, light industrial, health care and other construction, proposed construction of future subdivisions and roads, land development activities, shopping centers, churches, and other construction and development projects (collectively, the "Proposed Development"); (ii) construction of the Proposed Development will or may result in noise, dust, vibration and other nuisances, disturbances or hazards to buyer and to persons and property on or within the Property or the Project, and may limit buyer

access to the Property; (iii) during and after development, traffic, lights, noise, dust, vibration and other nuisances, disturbances or hazards to persons and property on or within the Property or the Project may be generated from the Proposed Development; (iv) no representations or warranties are made by Seller, its employees or agents concerning plans, or the absence of plans, by Seller or others for future development of adjacent or nearby properties, and any plans for the future development of adjacent and nearby properties by Seller are subject to change in the sole and absolute discretion of the Seller or its successors and assigns; and (v) Seller makes no representations regarding the view from the Property or any view easements or rights, and the views from the Property are not guaranteed and may be altered, diminished, eliminated or blocked entirely by the future development of adjacent or surrounding properties (items (i) through (v) are hereinafter collectively called the "Development Effects");

(f) Mold Effects. Mold and other forms of fungi are common and occur naturally in Hawaii due to its climate. Any moisture, including but not limited to standing water, water intrusion in a unit, or condensation will promote mold or other fungal growth. Lack of maintenance, utilization of an air-conditioner and other conditions which could increase moisture or condensation in a unit, will therefore create conditions which are conducive to mold and fungi growth. It has been reported or alleged that molds and other fungi can cause mild to severe allergies, infections and other health problems and property damage (collectively, the "Mold Effects"). Seller is not insuring or guaranteeing the health of buyer or other occupiers or users of the Property and disclaims liability for personal injury, illness, property damage, or any other loss or damage caused by or arising from the Mold Effects;

(g) Waiver, Release and Indemnity. Buyer represents and warrants to Seller that buyer, in buyer's sole discretion, has determined that the benefits of owning and enjoying the Property outweigh the risks of the Agricultural Effects, the Airport Effects, the Military Effects, the Utility Effects, the Development Effects and the Mold Effects (collectively, the "Property Conditions"). Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incidental to the Agricultural Effects, the Airport Effects, the Military Effects, the Utility Effects and the Mold Effects. Buyer hereby irrevocably agrees to suffer and permit all actions and consequences incidental to the Development Effects, for a period of ten (10) years after the date of recordation of the Limited Warranty Condominium Unit Deed. Buyer hereby covenants and agrees to assume all risks of impairment of buyer's use and enjoyment of the Property or the Project, loss of market value of the Property, and property damage or personal injury arising from the Property Conditions, and buyer, for the buyer and the buyer's tenants, lessees, family, servants, guests, invitees, licensees, agents, employees, and those who use the Property through the buyer for an extended period of time (collectively, the "Occupants"), hereby waives any claims or rights of action or suits against Seller, its successors and assigns, the City, the State of Hawaii, and any agency or subdivision of the foregoing, arising from such impairment of the Occupants' use and enjoyment of the

Property or the Project, loss of market value of the Property, and property damage or personal injury arising from one or more of the Property Conditions. Buyer shall indemnify, hold harmless and defend Seller, its successors and assigns, the City, the State of Hawaii, and any agency or subdivision of the foregoing, from any and all liability, claims, losses, damages, or expenses, including attorneys' fees, arising from such impairment of the Occupants' use and enjoyment of the Property or the Project, loss of market value of the Property, or property damage or personal injury to the property or person of the Occupants as a result of one or more of the Property Conditions. Buyer further covenants that buyer will notify all Occupants and transferees of the Property of the risks of the Property Conditions.

12. The buyer agrees that buyer may not transfer the Sales Agreement or any of buyer's rights or interests under the Sales Agreement without first getting Seller's written consent (which Seller may withhold in its sole and absolute discretion).

SUMMARY OF ESCROW AGREEMENT

Copies of the Escrow Agreement between the Seller and Title Guaranty Escrow Services, Inc. have been submitted to the Real Estate Commission and are available for inspection in the Sales Office of the Seller. The Escrow Agreement, among other things, covers in more detail the following items:

1. Funds Paid to Escrow. In accordance with written instructions from Seller that are acceptable to Escrow, Escrow shall deposit all funds so received, within a reasonable time of their receipt by Escrow and in reasonably convenient sums, in federally-insured accounts at a bank, savings and loan association or other financial institution authorized to do business in the State of Hawaii designated by Seller under an escrow arrangement that pays interest on deposits at the prevailing interest rate. Any interest earned on funds deposited in escrow under the Escrow Agreement shall accrue to the credit of Seller as provided in the sales contracts.

2. Conditions to be Met Prior to Disbursement of Funds in Escrow.

(a) Disbursement of Purchaser's Funds. No disbursements of funds held in escrow shall be made from purchaser's funds unless and until the following conditions have been fulfilled:

(i) the Seller has delivered to the purchaser a true copy of the Public Report, a copy of the recorded Declaration of Condominium Property Regime (including all amendments, if any), a copy of the recorded By-Laws (including all amendments, if any), a copy of the executed Rules and Regulations (including all amendments, if any), a letter-sized Condominium Map (or a notice that it is impractical to include a letter-sized Condominium Map and that the purchaser has the opportunity to examine the Condominium Map), the Receipt for Developer's Public Report, and the Notice of Right to Cancel Sales Contract, by personal delivery, registered or certified mail with adequate postage, return receipt requested, or by facsimile transmission; and

(ii) either the purchaser has waived the purchaser's right to cancel the sales contract and a copy of the Notice of Right to Cancel Sales Contract, with the waiver box checked, has been given by Seller to Escrow, or, the purchaser is deemed to have waived the purchaser's right to cancel the sales contract by either letting the thirty-day cancellation period expire without taking any action to cancel or by closing the purchase of the unit before the cancellation period expires. Delivery of the documents,

receipt and notice referred to herein shall be deemed to have been made at such time as shall be specified in writing by Seller to Escrow; and

(iii) Seller shall have given Escrow a written waiver of any option reserved in any sales contract to cancel such sales contract.

(b) Disbursement of Seller's Funds. Escrow shall, from time to time, and at no expense to Seller, release from escrow and pay and disburse to Seller any Seller's Funds in the manner directed by Seller.

3. Return of Purchaser's Funds and Documents.

(a) Cancellation or Rescission of a Sales Contract. Unless otherwise provided in the Escrow Agreement, a purchaser shall be entitled to a return of such purchaser's funds and Escrow shall pay such funds to such purchaser, without interest, if any one of the following has occurred:

(i) Seller and the purchaser shall have requested Escrow in writing to return to the purchaser the funds of the purchaser held hereunder by Escrow; or

(ii) Seller shall have notified Escrow in writing of Seller's exercise of the option to cancel or rescind the sales contract pursuant to any right of cancellation or rescission provided therein or otherwise available to Seller; or

(iii) The purchaser shall have notified Escrow of the purchaser's exercise of such purchaser's right to cancel the sales contract pursuant to Article V, Section B.2(b)(i) of the sales contract; or

(iv) The purchaser shall have notified Escrow of the purchaser's exercise of such purchaser's right to cancel the sales contract pursuant to Section 514B-86, Hawaii Revised Statutes, as amended, or Section 514B-89, Hawaii Revised Statutes, as amended; or

(v) The purchaser shall have notified Escrow of the purchaser's exercise of such purchaser's right to rescind the sales contract pursuant to Section 514B-87, Hawaii Revised Statutes, as amended.

In any of the foregoing events, Escrow shall, upon the occurrence of the event described in (i) or (ii) above or upon receipt of a written request for a refund from the purchaser upon the occurrence of an event described in (iii), (iv) or (v) above, unless the purchaser has waived or has been deemed to have waived the right to a refund, pay said funds to said purchaser and thereupon said sales contract shall be deemed canceled and any partially executed conveyance document theretofore delivered to Escrow shall be

returned to Seller; provided, however, that no refund shall be made to a purchaser at the purchaser's request prior to receipt by Seller of written notice from Escrow of Escrow's intent to make such refund; provided, further, however, that if the sales contract is canceled pursuant to (i), (ii), (iii) or (iv), the amount paid to purchaser shall be reduced by a cancellation fee commensurate with the work done by Escrow prior to such cancellation (said fee shall be not less than \$25.00 plus the Hawaii general excise tax, and not more than \$100.00 plus the Hawaii general excise tax), and other costs associated with the purchase. Seller shall also be entitled to a cancellation fee of \$50.00 if all relative documents for the closing of sale have been prepared and delivered to Escrow. In the event the sales contract is canceled pursuant to (iii) above, the amount refunded to purchaser also shall be reduced by the Option Deposit (as defined in the Sales Agreement). In the event the sales contract is canceled pursuant to (iv) above, the amount refunded to purchaser shall be reduced by not more than a maximum of \$250.00. It is expressly understood and agreed that no refund shall be made to a purchaser at such purchaser's request without the prior written approval of Seller. Upon refund of said funds to purchaser as aforesaid, Escrow shall return to Seller such purchaser's sales contract and any relative documents theretofore delivered to Escrow, and thereupon neither the purchaser nor Seller shall be deemed obligated thereunder.

(b) Owner-Occupant Purchasers. Notwithstanding any other provision in the Escrow Agreement to the contrary, a purchaser shall be entitled to a return of funds and Escrow shall pay such funds to such purchaser, pursuant to Chapter 514B, Part V, Hawaii Revised Statutes, as amended, out of the funds then on deposit with Escrow, if Seller and the purchaser shall so request in writing and any one of the following events has occurred:

(i) No sales contract has been offered to the purchaser who has been placed on Seller's reservation list of owner-occupant applicants; or

(ii) The purchaser indicates an intent not to become an owner-occupant of such unit.

4. Except for cancellations under subparagraph (i) above, Escrow may deduct from any such refund made to a purchaser a cancellation fee commensurate with the work done by Escrow prior to such cancellation, said fee shall be not less than \$25.00 plus the Hawaii general excise tax, and not more than \$100.00 plus the Hawaii general excise tax.

5. Closing documents shall be delivered to purchaser and Seller in accordance with the Escrow Agreement.

NOTE: ALL BUYERS AND PROSPECTIVE BUYERS SHOULD READ THE ESCROW AGREEMENT AND ALL AMENDMENTS IN FULL AS THIS SUMMARY

IS NOT ALL-INCLUSIVE AND DOES NOT CONTAIN A COMPLETE DESCRIPTION OF ALL PROVISIONS OF THE ESCROW AGREEMENT. THIS SUMMARY IS INTENDED ONLY TO GIVE A BRIEF DESCRIPTION OF SOME OF THE ITEMS CONTAINED IN THE ESCROW AGREEMENT, AND DOES NOT ALTER OR AMEND THE ESCROW AGREEMENT IN ANY MANNER.

The Limited Warranty Agreement defines the scope of "Construction Defects", will govern and control the terms of the limited warranty, and will supersede any and all other written or oral warranties, representations or promises as to the Unit. All warranties with respect to the Unit are contained in the Limited Warranty Agreement, and Developer provides no other warranties.

Buyer also should refer to the Limited Warranty Agreement and the Customer Care Agreement which each specify terms, conditions, limitations, exceptions, disclosures and disclaimers ("Conditions"), with respect to the warranties and additional services and repairs which they provide. COMPLETION DEADLINE

The Sales Agreement provides that notwithstanding any other provision in the Sales Agreement to the contrary, Seller shall complete construction of the Unit and the building in which the Unit is to be located so as to permit normal occupancy within two (2) years from the date the Sales Agreement is signed by Buyer (the "Building Completion Date"); provided, however, that the Building Completion Date will be extended for any period of time during which construction is actually delayed by matters or conditions legally supportable in the State of Hawaii as an impossibility of performance, a frustration of purpose or events and circumstances that are beyond Seller's reasonable control.

The Project is located within Koa Ridge, a master-planned mixed-use community. Each unit in the Project will be subject to the terms and provisions of the Declaration of Community Covenants for Koa Ridge, as supplemented and amended from time to time (the “Koa Ridge Covenants”). The Koa Ridge Covenants include the following:

1. Membership, Voting Rights and Assessments.

(a) The Association of Unit Owners of the Project (the “Association”) will be a member of the Koa Ridge Owners Association. Each owner will have certain rights and obligations under the Koa Ridge Covenants as an owner of a unit represented by the Association.

(b) As a member of the Koa Ridge Owners Association, the Association will have voting rights under the Koa Ridge Covenants.

(c) Each unit owner will be required to pay assessments to the Koa Ridge Owners Association as provided in the Koa Ridge Covenants. As presently contemplated, the assessments will be collected from each unit owner by the Association and remitted to the Koa Ridge Owners Association. If a unit owner does not pay his or her share of assessments when due, the Koa Ridge Owners Association will have lien rights against such owner’s unit. The Association may also have lien rights against such owner’s unit.

(d) The Koa Ridge Owners Association may offer some benefits to some but not all of the residents and occupants of Koa Ridge. (b) The home occupations must be ancillary to the primary residential uses. The home occupation activities must be in conformance with all applicable governmental ordinances and must not include the prohibited activities in the

Koa Ridge Covenants. The patrons or clientele of such home occupation uses must not regularly visit the unit or park their vehicles within Koa Ridge. The home occupation activities must not change the residential character of the unit or the surrounding neighborhood or adversely affect surrounding homes. The home occupation activities must not be apparent or detectable by sight, smell, sound or other means from outside of the unit. The home occupation activities must not increase the insurance obligations or premiums of the Koa Ridge Owners Association. The home occupation activities must conform to the Koa Ridge Covenants and other governing documents.

(c) The units in the Project may not be used for (a) Medically Assisted Living Facilities and Non-Medical Living Facilities, (b) hotels, motels, vacation rentals, the operation of a timesharing, fraction-sharing, interval exchange or similar uses, or (c) other uses prohibited in the Koa Ridge Covenants.

(d) Unless specifically permitted in a Supplement to the Koa Ridge Covenants covering the unit, the unit may not be used for accessory or “ohana” dwelling units.

(e) Except as provided in the Koa Ridge Covenants, the unit may not be used for any business, commercial, manufacturing, mercantile, storage, vending, or other such non-residential purposes.

3. Leasing.

(a) An owner may lease his or her unit, but Castle & Cooke Homes Hawaii, Inc. (the “Declarant”) under the Koa Ridge Covenants or the Board of the Koa Ridge Owners Association may require a minimum lease term of not less than thirty (30) days.

4. Wireless Communications.

(a) Each unit owner is responsible for ensuring that any Wireless Internet or other communications networks, including WiFi systems, that said unit owner install or use does not interfere with, disturb or intercept computer, communications or other permitted electronic signals, networks or systems operated by the Declarant or others as provided in the Koa Ridge Covenants.

5. Rules and Regulations.

(a) Rules and Regulations have been adopted for the Koa Ridge community. Refer to the Sales Office for a copy of the current Rules and Regulations.

6. Improvements and Approval Requirements.

(a) Any construction, installation, modification, or maintenance of your home must be in accordance with the Design Guidelines and will be subject to the design review authority of the Declarant or the Architectural Review Committee appointed by the Board of the Koa Ridge Owners Association.

7. Master Planned Community.
