H. PURPOSES AND RESTRICTIONS AS TO USE.

1. Residential Use. Each unit shall be occupied and used for residential purposes only. If a unit owner rents his unit to any third party, the unit owner shall provide each tenant with a copy of this Declaration, the By-Laws and the Rules and Regulations. An owner who rents his unit shall at all times remain primarily and severally liable to all other unit owners and to the Association of Unit Owners of the Project for any failure on the part of such owner's tenant(s) to observe and comply with all provisions of this Declaration, the By-Laws, the Rules and Regulations and all other applicable laws. Notwithstanding any other provision contained in this Declaration or the By-Laws to the contrary, no unit shall be used for bed and breakfast establishment purposes, boarding facilities, rooming or lodging houses, group living facilities, the promotion or sale of timeshare, fractional ownership, exchange (whether the program is based on direct exchange of occupancy rights, cash payments, reward programs or other point or accrual systems) or other membership programs, plans or arrangements through which a participant in the program, plan or arrangement acquires an ownership interest in the unit with attendant rights of periodic use and occupancy or acquires contract rights to such periodic use and occupancy of the unit or acquires contract rights to a portfolio of accommodations including the unit (an "Occupancy Plan"), or for the operation of any business that directly or indirectly promotes the sale of an Occupancy Plan. Other than the foregoing restrictions (including restrictions contained in the condominium unit deed conveying a unit), the owners of the respective units shall have the right to lease the same, provided that such lease is in writing and for a term of not less than thirty (30) days, is in accordance with all applicable laws, and is expressly made subject to the covenants and restrictions contained in this Declaration, the By-Laws and the Rules and Regulations.

2. Unpermitted Acts. The Association of Unit Owners of the Project and any unit owner shall not suffer anything to be done or kept in his unit or elsewhere in the Project which may (a) jeopardize the soundness or safety of the Project, reduce the value thereof, or impair any easement, as reasonably determined by the Board, (b) interfere with or otherwise unreasonably disturb the rights of other owners and occupants, (c) obstruct any walkway of any building, or (d) increase the rate of property insurance on any building or the contents thereof.

3. Alterations. Except as otherwise expressly provided in Section R of this Declaration, a unit owner shall not, without the prior written consent of the Board of Directors of the Association of Unit Owners, make any structural alteration in the unit, make any interior alterations in the unit visible from the exterior of the unit, or make any alterations to the exterior of the unit or to any other portion or portions of the common elements.

4. Developer's Rights. Notwithstanding anything contained hereinabove to the contrary, the Developer, its agents, employees, successors and assigns shall have the right to conduct extensive sales activities at and in the Project, including the use of model units, sales and management offices, and extensive sales displays, signage and activities as set forth in Paragraph 6 of Section F of this Declaration.

5. Owners with Disabilities. Notwithstanding anything to the contrary contained in this Declaration, the By-Laws or the Rules and Regulations, owners with disabilities shall be allowed reasonable exemptions from this Declaration, the By-Laws and the Rules and Regulations, when necessary to enable them to use and enjoy their units and the common elements, provided that any owner with a disability desiring such an exemption shall make such request, in writing, to the Board. The request shall set forth, with specificity and in detail, the nature of the request and the reason that the requesting party needs to be granted such an exemption. The Board shall not unreasonably withhold or delay its consent to such request, and any such request shall be deemed to be granted if not denied in writing, within forty-five (45) days of the Board's receipt thereof, or within forty-five (45) days of the Board's receipt of additional information reasonably required by the Board in order to consider such request, whichever shall last occur.

I. ADMINISTRATION OF PROJECT. Administration of the Project shall be vested in its Association of Unit Owners, herein called the "Association", consisting of all unit owners of the Project, in accordance with the By-Laws of the Association. 1. Make, build, maintain and repair all fences, sewers, drains, roads, curbs, sidewalks and parking areas which may be required by law to be made, built, maintained and repaired, or for the protection of the Project (as determined by the Board), upon or adjoining or in connection with or for the use of the Project or any part thereof.

2. Keep all common elements of the Project in clean condition, and observe and perform all laws, ordinances, rules and regulations now or hereafter made by any governmental authority for the time being applicable to the Project or the use thereof; provided, however, that unless otherwise specifically provided in Paragraph 4 of this Section I, the owner of each unit shall be primarily responsible to keep (i) such unit, and (ii) the yard area appurtenant to such unit, if any, in such clean condition.

3. 4. Regularly inspect, maintain, paint, resurface and/or replace the exterior surfaces of all perimeter walls of the buildings and the exterior surfaces of all exterior doors, exterior door frames, window frames and trim in the buildings, with the right to regulate the design and appearance of such exterior surfaces, the types of surfaces, and the types and colors of paint or other materials to be used, and with the right to enter, and permit entry by its contractors into, any unit or limited common elements appurtenant thereto from time to time during reasonable hours as may be necessary for the performance of such inspection, maintenance, painting, resurfacing or replacement. Payment for any such inspection, maintenance, painting, resurfacing or replacement shall be made out of the general maintenance fund of the Association; provided, however, that any such inspection, maintenance, painting, resurfacing or replacement necessitated by the negligence, misuse or neglect of a unit owner or occupant or any person under either of them shall be charged to such unit owner or the unit owner of the unit of such occupant, as a special assessment secured by the lien created under Section K of this Declaration.

5. Maintain and keep said Land and all adjacent land within the Road Right of Way in a neat and attractive condition and all trees, shrubs and grass thereon in good cultivation, and replant the same as may be necessary, and repair and make good all defects in the common elements of the Project herein required to be repaired by the Association, of which notice shall be given by any unit owner or his agent.

6. Not erect or place on the Project any building or structure, including fences and walls, nor make additions or structural alterations to, or exterior changes of, any common elements of the Project, nor place or maintain thereon any signs, posters or bills whatsoever, except in accordance with Section R of this Declaration and in accordance with plans and specifications, including detailed plot plan, prepared by a licensed architect, if so required by the Board of Directors of the Association, and approved by the Board of Directors of the Association, and complete any such improvements diligently after commencement thereof.

7. Before commencing or permitting construction of any improvement on or to the Project where the cost thereof exceeds Twenty-Five Thousand and

No/100 Dollars (\$25,000.00) or such other amount as may be determined by the Board of Directors from time to time, obtain a performance and lien payment bond naming as obligees, the Board of Directors of the Association, the Association, and collectively all unit owners and their respective mortgagees of record, as their respective interests may appear, with a responsible corporate surety authorized to do business in the State of Hawaii, guaranteeing the full and faithful performance of the contract for such construction free and clear of all mechanics' and materialmen's liens for such construction and the payment of all subcontractors, labor and materialmen, for a penal sum of not less than one hundred percent (100%) of the cost of such construction.

8. Have the irrevocable right, to be exercised by its Board of Directors or Managing Agent, to have access to any unit or limited common elements appurtenant thereto from time to time during reasonable hours as may be necessary for the operation of the Project or for making emergency repairs therein required to prevent damage to any units or common elements or for the installation, repair or replacement of any common elements.

9. Not make or suffer any strip or waste or unlawful, improper or offensive use of the Project.

10. Not commit any act or neglect whereby the Project or any part thereof at any time becomes subject to any attachment, judgment, lien, charge or encumbrance whatsoever.

11. Comply with all encumbrances, restrictive covenants and agreements, and setback lines affecting the use of the Land upon which the Project is situated which are referred to or described in Exhibit "A" or otherwise affect the Land from time to time.

12. Be bound by the waivers of claims, rights of action and suits against the Developer, its successors and assigns, contained in the unit conveyances by the Developer to purchasers of units in the Project, and the Association shall not bring against the Developer, its successors and assigns, any claim or right of action or suit relating to any of the matters waived by the purchasers in such unit conveyances.

13. Observe and comply with all applicable provisions of, exercise the Association's rights of, and observe and comply with the Association's obligations under, the Koa Ridge Covenants.

J. MANAGING AGENT AND SERVICE OF PROCESS. Operation of the Project shall be conducted for the Association by a responsible Managing Agent which shall be appointed by the Association in accordance with the By-Laws, except that

the initial Managing Agent shall be appointed by the Developer. The Managing Agent is hereby authorized to receive service of legal process in all cases provided in said Condominium Property Act. In addition, process may be served upon any member of the Board of Directors of the Association who has a residence or place of business within the City and County of Honolulu, State of Hawaii. Troy T. Fukuhara, whose principal place of business is at 680 Iwilei Road, Suite 510, Honolulu, Hawaii 96817, and whose post office address is 680 Iwilei Road, Box 510, Honolulu, Hawaii 96817, is hereby designated as the agent to receive service of process until such time the Developer designates a successor agent to receive service of process or such time as the Board of Directors of the Association is elected, whichever shall first occur.

K. COMMON EXPENSES.

1. Except as otherwise provided herein, all charges, costs and expenses whatsoever incurred by the Association for or in connection with the administration of the Project, including without limitation of the generality of the foregoing, all charges for taxes (except real property taxes and such other taxes which are or may hereafter be assessed separately on each unit and the common interest in the common elements appertaining thereto or the personal property or any other interest of the unit owner), assessments, insurance, including fire and other casualty and liability insurance required to be maintained by the Association pursuant to Section L of this Declaration, any liability whatsoever for loss or damage arising out of or in connection with the common elements or any accident, fire or nuisance thereon, costs of repair, reinstatement, rebuilding, replacement, and restoration of the common elements of the Project and any additions and alterations thereto, yard, janitorial and other similar services, wages, accounting and legal fees, management fees and other necessary expenses of upkeep, maintenance, management and operation incurred on or for the common elements of the Project, and the cost of all utility services, including water, electricity, gas, garbage disposal, telephone and other similar services, unless separately metered or assessed, the wages of the resident manager, if any, the cost of leasing the resident manager's unit, if any, and all other sums designated as common expenses under the Condominium Property Act, this Declaration and the By-Laws, shall constitute common expenses of the Project for which all unit owners shall be severally liable in proportion to the common interests appurtenant to their respective units; PROVIDED, HOWEVER, that all charges, costs and expenses incurred by the Association only for or in connection with any of the limited common elements, including without limitation of the generality of the foregoing, all costs of maintenance, repair, replacement, additions and improvements to the limited common elements, shall constitute limited common expenses of the Project for which only the owners of the units to which such category of limited common elements are appurtenant shall be severally liable in proportion to the ratio that their respective common interests bear to the sum of the common

interests of the units to which such category of limited common elements are appurtenant (such charges, costs and expenses incurred only for or in connection with any of the limited common elements are hereinafter called "limited common expenses"); and PROVIDED, FURTHER, HOWEVER, that all charges, costs and expenses incurred by the Association which are necessitated by the negligence, misuse or neglect of a unit owner or occupant or any person under either of them shall be charged to such unit owner or the unit owner of the unit of such occupant, as a special assessment secured by the lien created under this Section K.

2. No unit owner may exempt the unit owner from liability for the unit owner's contribution toward the common expenses or limited common expenses by waiver of the use or enjoyment of any of the common elements or by abandonment of such owner's unit.

3. The Board of Directors of the Association shall from time to time assess the common expenses and limited common expenses against all the units in their respective proportionate shares as set forth in this Section K. All sums assessed by the Association but unpaid for the share of common expenses or limited common expenses chargeable to any unit shall constitute a lien on the unit with priority over all other liens, except: (i) liens for real property taxes and assessments lawfully imposed by governmental authority against such unit; and (ii) except as provided in the Condominium Property Act, all sums unpaid on any mortgage of record that was recorded prior to the recordation of a notice of a lien by the Association, and costs and expenses including attorneys' fees provided in such mortgages; provided that a lien recorded by the Association for unpaid assessments shall expire six (6) years from the date of recordation unless proceedings to enforce the lien are instituted prior to the expiration of the lien; provided further that the expiration of a recorded lien shall in no way affect the Association's automatic lien that arises pursuant to this section or any other provision of this Declaration or the By-Laws. Any proceedings to enforce the Association's lien for any assessment shall be instituted within six (6) years after the assessment becomes due; provided that if the owner of a unit subject to a lien of the Association files a petition for relief under the United States Bankruptcy Code (11 U.S.C. §101 et seq.), the period of time for instituting proceedings to enforce the Association's lien shall be tolled until thirty (30) days after the automatic stay of proceedings under Section 362 of the United States Bankruptcy Code. The lien of the Association may be foreclosed by action or by nonjudicial or power of sale foreclosure by the Managing Agent or the Board, acting on behalf of the Association and in the name of the Association, subject to the provisions of the Condominium Property Act. In any such foreclosure, the unit owner shall be required to pay a reasonable rental for the unit, and the plaintiff in the foreclosure shall be entitled to the appointment of a receiver to collect the rental owed by the unit owner or any tenant of the unit. The Managing Agent or the Board, acting on

behalf of the Association and in the name of the Association, may bid on the unit at such foreclosure sale, and acquire and hold, lease, mortgage and convey the unit. Action to recover a money judgment for unpaid common expenses or limited common expenses shall be maintainable without foreclosing or waiving the lien securing the unpaid common expenses or limited common expenses owed.

4. In the case of a voluntary conveyance, the grantee of a unit shall be jointly and severally liable with the grantor for all unpaid common expenses, limited common expenses or assessments chargeable to such unit up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefor. Any such grantor or grantee, however, shall be entitled to a statement from the Board, either directly or through the Managing Agent or the resident manager, if any, setting forth the amount of the unpaid common expenses, limited common expenses or assessments chargeable to such unit, and except as to the amount of subsequently dishonored checks mentioned in such statement as having been received within the 30-day period immediately preceding the date of such statement, the grantee shall not be liable for, nor shall the unit conveyed be subject to a lien for, any unpaid assessments against the grantor in excess of the amount set forth in the statement.

5. Except as provided in the Condominium Property Act, when the mortgagee of a mortgage of record or other purchaser of a unit obtains title to the unit as a result of foreclosure of the mortgage, the acquirer of title and the acquirer's successors and assigns shall not be liable for the share of the common expenses, limited common expenses or assessments by the Association chargeable to the unit that became due prior to the acquisition of title to the unit by the acquirer. The unpaid share of common expenses, limited common expenses and assessments shall be deemed common expenses collectible from all unit owners, including the acquirer and the acquirer's successors and assigns. The mortgagee of record or other purchaser of the unit shall be deemed to acquire title and shall be required to pay the unit's share of common expenses, limited common expenses and assessments beginning: (a) thirty-six (36) days after the order confirming the sale to the purchaser has been filed with the court; (b) sixty (60) days after the hearing at which the court grants the motion to confirm the sale to the purchaser; (c) thirty (30) days after the public sale in a nonjudicial power of sale foreclosure conducted pursuant to Chapter 667 of the Hawaii Revised Statutes, as amended; or (d) upon the recording of the instrument of conveyance, whichever occurs first; provided that the mortgagee of record or other purchaser of the unit shall not be deemed to acquire title under paragraph (a), (b), or (c), if transfer of title is delayed past the thirty-six (36) days specified in paragraph (a), the sixty (60) days specified in paragraph (b), or the thirty (30) days specified in paragraph (c), when a person who appears at the hearing on the motion or a party to the foreclosure action requests reconsideration of the motion or order to confirm sale, objects to

the form of the proposed order to confirm sale, appeals the decision of the court to grant the motion to confirm sale, or the debtor or mortgagor declares bankruptcy or is involuntarily placed into bankruptcy. In any such case, the mortgagee of record or other purchaser of the unit shall be deemed to acquire title upon recordation of the instrument of conveyance.

6. A unit owner who receives a demand for payment from the Association and disputes the amount of an assessment may request a written statement clearly indicating:

(a) The amount of common expenses or limited common expenses included in the assessment, including the due date of each amount claimed;

(b) The amount of any penalty or fine, late fee, lien filing fee, and any other charge included in the assessment that is not imposed on all unit owners as a common expense or a limited common expense; and

(c) The amount of attorneys' fees and costs, if any, included in the assessment.

7. A unit owner who disputes the information in the written statement received from the Association pursuant to Paragraph 6 of Section K may request a subsequent written statement that additionally informs the unit owner that:

(a) Under Hawaii law, a unit owner has no right to withhold assessments for common expenses or limited common expenses for any reason;

(b) A unit owner has a right to demand mediation or arbitration to resolve disputes about the amount or validity of the Association's assessment for common expenses or limited common expenses, provided that the unit owner immediately pays the assessment for common expenses or limited common expenses in full and keeps the assessments for common expenses or limited common expenses current;

(c) Payment in full of the assessments for common expenses or limited common expenses shall not prevent the owner from contesting the assessments for common expenses or limited common expenses or receiving a refund of amounts not owed; and

(d) If the unit owner contests any penalty or fine, late fee, lien filing fee, or other charges included in the assessment, except assessments for common expenses or limited common expenses, the unit owner may demand mediation prior to paying those charges.

8. No unit owner shall withhold any assessments for common expenses or limited common expenses claimed by the Association. Nothing in this section shall limit the rights of an owner to the protection of all fair debt collection procedures mandated under federal and state law.

9. A unit owner who pays the Association the full amount of the common expenses or limited common expenses claimed by the Association may file in small claims court or require the Association to mediate to resolve any disputes concerning the amount or validity of the Association's common expense or limited common expense claim. If the unit owner and the Association are unable to resolve the dispute through mediation, either party may file for arbitration under the Condominium Property Act; provided that a unit owner may only file for arbitration if all amounts claimed by the Association as common expenses or limited common expenses are paid in full on or before the date of filing. If the unit owner fails to keep all Association assessments for common expenses or limited common expenses current during the arbitration, the Association may ask the arbitrator to temporarily suspend the arbitration proceedings. If the unit owner pays all Association assessments for common expenses or limited common expenses within thirty (30) days of the date of suspension, the unit owner may ask the arbitrator to recommence the arbitration proceedings. If the unit owner fails to pay all Association assessments for common expenses or limited common expenses by the end of the 30-day period, the Association may ask the arbitrator to dismiss the arbitration proceedings. The unit owner shall be entitled to a refund of any amounts paid as common expenses or limited common expenses to the Association that are not owed.

10. A unit owner who contests the amount of any attorneys' fees and costs, penalties or fines, late fees, lien filing fees, or any other charges, except assessments for common expenses or limited common expenses, may make a demand in writing for mediation on the validity of those charges. The unit owner has thirty (30) days from the date of the written statement requested under Paragraph 7 of Section K to file demand for mediation on the disputed charges, other than assessments for common expenses or limited common expenses. If the unit owner fails to file for mediation within thirty (30) days of the date of the written statement requested under Paragraph 7 of Section K, the Association may proceed with collection of the charges. If the unit owner makes a request for mediation within thirty (30) days, the Association shall be prohibited from attempting to collect any of the disputed charges until the Association has participated in the mediation. The mediation shall be completed within sixty (60) days of the unit owner's request for mediation; provided that if the mediation is not completed within sixty (60) days or the parties are unable to resolve the dispute by mediation, the Association may proceed with collection of all amounts due from the unit owner for attorneys' fees and costs, penalties or fines, late fees,

lien filing fees, or any other charge that is not imposed on all unit owners as a common expense or a limited common expense.

L. INSURANCE – PROPERTY AND LIABILITY.

1. The Association, as a common expense, shall purchase and at all times maintain the following:

(a) Property insurance (i) on the common elements, including the limited common elements, the units, and common personal property of the Association, (ii) providing coverage for special form causes of loss; and (iii) in a total amount of not less than the full insurable replacement cost of the insured property, less deductibles, but including coverage for the increased costs of construction due to building code requirements, at the time the insurance is purchased and at each renewal date. If available, the property insurance also shall include an agreed amount endorsement and an inflation guard endorsement. The property insurance shall be in the name of the Association. The property insurance need not cover improvements and betterments to the units installed by the unit owners, but if improvements and betterments are covered, any increased cost of such insurance shall be assessed by the Association against the units affected. For purposes of this paragraph, "improvements and betterments" mean all decorating, fixtures, and furnishings installed or added to and located within the boundaries of the unit, including electrical fixtures, appliances, air conditioning and heating equipment, water heaters or built-in cabinets installed by unit owners.

(b) Commercial general liability insurance written on an occurrence form to include coverage for claims and liabilities arising in connection with the ownership, existence, use or management of the Project, coverage for premises and operations, products and completed operations, personal and advertising injury, blanket contractual liability, lawsuits related to employment contracts, and fire legal liability with the following minimum limits:

Bodily Injury and Property Damage

\$1,000,000 per occurrence

\$2,000,000 general aggregate

\$1,000,000 products and completed operations

Personal and Advertising Injury

\$1,000,000 per person/organization

The liability insurance policy shall insure the Board, the Association, all unit owners, the Managing Agent and its employees, and the employees of the Association with respect to the Project.

(c) A fidelity bond covering the Managing Agent and all directors, officers, trustees, employees and volunteers who control or disburse funds belonging to or administered by the Association, naming the Association as the insured and providing coverage in such amounts as the Board deems adequate, but in no event in any amount less than (a) the estimated maximum funds (including reserve funds) that will be in the custody of the Association or the Managing Agent at any time; (b) a sum equal to three (3) months' aggregate assessments on all units (including reserve funds); or (c) any minimum amount required under the Condominium Property Act. Every such bond shall contain a waiver of any defense based upon the exclusion of persons who serve without compensation from any definition of the term "employee" or similar term, and, by appropriate endorsement, provide coverage for any such persons not otherwise covered.

(d) Directors and officers liability coverage at a level deemed reasonable by the Board.

(e) Flood insurance if the property is located in a special flood hazard area as delineated on flood maps issued by the Federal Emergency Management Agency. The flood insurance shall comply with the requirements of the National Flood Insurance Program and the Federal Insurance Administration.

2. The Board, in the case of a claim for damage to a unit or the common elements, may: (a) pay the deductible amount as a common expense; (b) after notice and an opportunity for a hearing, assess the deductible amount against the owners who caused the damage or from whose units the damage or cause of loss originated; or (c) require the unit owners of the units affected by the damage to pay the deductible amount.

3. The Board of Directors of the Association may also procure insurance against such additional risks as the Board of Directors considers appropriate to protect the Association, the unit owners, or officers, directors or agents of the Association, of a character normally carried with respect to properties of comparable character and use in the State of Hawaii.

4. The Board of Directors of the Association will review not less frequently than annually the adequacy of its insurance program and shall report in writing its conclusions and action taken on such review to each unit owner and to each mortgagee of record of any interest in a unit which shall have requested a copy of such report. In conducting the review discussed in the immediately prior sentence, the Board of Directors may consult with its insurer or other insurance consultant. The Board of Directors of the Association shall increase the limits of all insurance from time to time so that the same are not less than such limits as are being carried generally for similar properties in the area.

5. Copies of every policy of insurance procured by the Board of Directors of the Association shall be available for inspection by any unit owner (or purchaser holding a contract to purchase an interest in a unit) at the office of the Managing Agent, and certificates of insurance shall be issued to each unit owner and mortgagee upon request.

6. Any insurance coverage required in this Section L shall be subject to availability with responsible insurance companies authorized to do business in the State of Hawaii. Where such coverage is not available, or is not available at a reasonable cost, then the Board shall substitute such other insurance coverage as is acceptable to institutional lenders for units in projects similar in construction, location and use.

7. Insurance policies carried pursuant to this section shall include each of the following provisions:

(a) If obtainable at reasonable cost, provide that the liability of the insurer thereunder shall be primary and shall not be affected by, and that the insurer shall not claim any right of setoff, counterclaim, apportionment, proration or contribution by reason of any other insurance obtained by or for any unit owner;

(b) If obtainable at reasonable cost, contain no provision relieving the insurer from liability for loss occurring while the hazard to such buildings is increased, whether or not within the knowledge or control of the Board of Directors of the Association, the Managing Agent, any unit owner or any other persons under any of them or because of any breach of warranty or condition or any other act or neglect by the Board of Directors

of the Association, the Managing Agent, any unit owner or any other persons under any of them;

(c) If obtainable at reasonable cost, provide that such policy may not be canceled or reduced by amount or type of coverage, whether or not requested by the Board of Directors of the Association, except by the insurer's giving at least sixty (60) days' prior written notice thereof to the Board of Directors of the Association and any mortgagee of record of any interest in any unit;

(d) If obtainable at reasonable cost, contain a waiver by the insurer of any right to deny liability because of vacancy of any unit or units;

(e) If obtainable at reasonable cost, contain a "severability of interest" endorsement precluding the insurer from denying the claim of the Board of Directors of the Association, the Association, the Managing Agent, or any unit owner because of negligent acts of any of the others;

(f) Contain a standard mortgagee clause which shall:

(1) Provide that any reference to a mortgagee in such policy shall mean and include all holders, insurers and guarantors of mortgages of any unit of the Project, their respective successors and assigns, in their respective order and preference, whether or not named therein;

(2) Provide that such insurance as to the interest of any mortgagee shall not be invalidated by any act or neglect of the Board, the Association, the Managing Agent, any unit owner or any other persons under any of them; and

(3) Waive any provision invalidating such mortgagee clause by reason of the failure of any mortgagee to notify the insurer of any hazardous use or vacancy, any requirement that the mortgagee pay any premium thereon, and any contribution clause;

(g) If obtainable at reasonable cost, contain a provision waiving any right of the insurer to repair, rebuild or replace if a decision is made pursuant to this Declaration and the By-Laws not to reinstate, rebuild or restore the damage or destruction;

Mortgage Association, the Federal Home Loan Mortgage Corporation or the Department of Veterans Affairs, to enable it to purchase, insure or guarantee a loan made on the security of the Project or any of the units;

(i) If obtainable at reasonable cost, contain a waiver of subrogation by the insurer as to any and all claims against the Association, Developer and any unit owner and their respective agents, employees or tenants, and of any defenses based upon co-insurance or upon invalidity arising from the acts of the insured.

8. Each unit owner shall be responsible for insuring such owner's unit, the limited common elements appurtenant thereto, and the contents thereof for such unit owner's own benefit and at such unit owner's own expense. Said insurance shall include such coverage and limits as shall be reasonably required by the Board of Directors, taking into account the coverage and limits as are being carried generally for similar properties in the area. Upon taking title to the unit, and thereafter not less than ten (10) days prior to the expiration dates of expiring policies, certificates of all policies in form acceptable to the Association, shall be deposited with the Association. If the unit owner fails to carry such insurance or fails to deliver the certificates to the Association, then the Association, at its option but without being obligated to do so, may procure such insurance from year to year and pay the premiums therefor, and the cost thereof shall be charged to the unit owner as a special assessment secured by the lien created under Section K.

M. INSURED CASUALTY.

1. Any loss covered by the property insurance policy maintained by the Association under Section L shall be adjusted by and with the Association. The insurance proceeds for that loss shall be payable to the Association, or to an insurance trustee designated by the Association for that purpose. The insurance trustee or the Association shall hold any insurance proceeds in trust for unit owners and secured parties as their interests may appear.

2. If the Project is damaged by fire or other casualty which is insured against by the property insurance policy under Section L and said damage is limited to a single unit and/or the limited common elements appurtenant thereto, all of the insurance proceeds shall be used by the Association or insurance trustee for payment of the contractor employed by the Board of Directors of the Association to rebuild or repair such unit and/or limited common elements, including paint, floor covering and fixtures, in accordance with plans and specifications therefor which will restore the same to the design immediately prior to destruction, or if reconstruction in accordance with said plans and specifications is not permissible under the laws then in force, in accordance with such plans and specifications as shall be previously approved by the Board of Directors of the

Association, any mortgagee of record of any interest in the unit so damaged, and the eligible holders of first mortgages (as defined in Section T of this Declaration) on units to which at least fifty-one percent (51%) of the votes of units subject to mortgages held by such eligible holders of first mortgages are allocated.

3. If such damage extends to two or more units and/or the limited common elements appurtenant thereto, or to any other common elements, the Board of Directors of the Association shall thereupon contract to repair or rebuild the damaged portions of any building or buildings, including all units and limited common elements so damaged, as well as the common elements, in accordance with plans and specifications therefor which will restore the same to the design immediately prior to destruction, or if reconstruction in accordance with said design is not permissible under the laws then in force, in accordance with such modified plans as shall be previously approved by the Board of Directors of the Association, any mortgagee of record of any interest in a unit directly affected thereby, and the eligible holders of first mortgages (as defined in Section T of this Declaration) on units to which at least fifty-one percent (51%) of the votes of units subject to mortgages held by such eligible holders of first mortgages are allocated; provided that in the event said modified plans eliminate any unit and such unit is not reconstructed the trustee shall pay the owner of said unit and any mortgagee of record of any interest in said unit, as their interests may appear, the portion of said insurance proceeds allocable to said unit (less the proportionate share of said unit in the cost of debris removal) and shall disburse the balance of insurance proceeds as hereinafter provided for the disbursement of insurance proceeds.

4. Prior to the commencement of any rebuilding or repair pursuant to this Section M, the Board of Directors or the unit owner contracting for such rebuilding or repair shall comply with all of the requirements of Paragraph 6 of Section I of this Declaration.

5. The insurance proceeds received by the Association shall be paid by the Association or insurance trustee to the contractor employed for such work, in accordance with the terms of the contract for such construction and in accordance with the terms of this Section M. If the insurance proceeds are insufficient to pay all the costs of repairing and/or rebuilding any common elements, the Board of Directors of the Association shall levy a special assessment on the owners of all units in proportion to their respective common interests. Any costs in excess of the insurance proceeds for the repairing and/or rebuilding of any unit shall be specially assessed against such unit and said special assessment shall be secured by the lien created under Section K of this Declaration.

6. The cost of the work (as estimated by the Board of Directors of the Association) contracted by the Board shall be paid out from time to time at the direction of the Board of Directors as the work progresses, but subject to the following conditions:

(a) An architect or engineer (who may be an employee of the Board of Directors) shall be in charge of the work;

(b) Each request for payment shall be made on seven (7) days' prior notice to the Association or insurance trustee and shall be accompanied by a certificate to be made by such architect or engineer stating that all of the work completed has been done in compliance with the approved plans and specifications and that the sum requested is justly required to reimburse the Board for payments by the Board of Directors to, or is justly due to, the contractor, subcontractors, materialmen, laborers, engineers, architects or other persons rendering services or materials for the work (giving a brief description of such services or materials), and that when added to all sums previously paid out by the Association or insurance trustee the sum requested does not exceed the value of the work done to the date of such certificate;

(c) Each request shall be accompanied by waivers of liens satisfactory to the Association or insurance trustee, covering that part of the work for which payment or reimbursement is being requested and by a search prepared by a title company or licensed abstractor or by other evidence satisfactory to the Association or insurance trustee, that there has not been recorded with respect to the premises any mechanics' or other lien or instrument for the retention of title with respect to any part of the work not discharged of record;

(d) The request for any payment after the work has been completed shall be accompanied by a copy of any certificate or certificates required by law to render occupancy of the premises legal;

(e) The fees and expenses of the insurance trustee, if any, as determined by the Board of Directors and the insurance trustee shall be paid by the Association as common expenses, and such fees and expenses may be deducted from any proceeds at any time in the hands of the insurance trustee; and

(f) Such other conditions not inconsistent with the foregoing as the Association or insurance trustee may reasonably request.

7. Upon completion of the work and payment in full therefor, any remaining proceeds of insurance then or thereafter in the hands of the Board of Directors of the Association or insurance trustee shall be paid or credited to the owners of the units and the holders of any mortgages on the units, as their interests may appear, in proportion to the respective common interests appurtenant to each unit.

8. To the extent that any loss, damage or destruction to any buildings or other property is covered by (or, under Paragraph 1 of Section L of this Declaration, should have been covered by) insurance procured by the Board of Directors of the Association, the Board of Directors of the Association shall have no claim or cause of action for such loss, damage or destruction against any unit owner (other than for any special assessment levied pursuant to Paragraph 5 of this Section M). To the extent that any loss, damage or destruction to the property of any unit owner is covered by (or, under Section L of this Declaration, should have been covered by) insurance procured by such unit owner, such unit owner shall have no claim or cause of action for such loss, damage or destruction against the Board of Directors of the Association, the Managing Agent or any other unit owner or any person claiming under any of them.

N. UNINSURED CASUALTY. In case at any time or times any improvements of the Project shall be substantially damaged or destroyed by any casualty not insured against, such improvements shall be rebuilt, repaired or restored unless not less than sixty-seven percent (67%) of all unit owners vote not to rebuild, repair or restore. Any such restoration of the common elements shall be completed diligently by the Association at its common expense and the unit owners shall be solely responsible for any restoration of their respective units so damaged or destroyed, according to the original plans and specifications thereof or such other plans and specifications first approved in the same manner as provided in Paragraph 6 of Section I of this Declaration. Unless such restoration is undertaken within a reasonable time after such casualty, the Association at its common expense shall remove all remains of improvements so damaged or destroyed and restore the site thereof to good order and condition and even grade.

O. CONDEMNATION.

1. In case at any time or times the Project or any part thereof shall be taken or condemned by any authority having the power of eminent domain, or shall be sold to such authority under threat of condemnation, all compensation and damages payable for or on account of the Land, the buildings and other improvements of the Project shall be payable to the Association or such bank or trust company authorized to do business in the State of Hawaii as the Board shall designate as trustee for all unit owners and mortgagees of record affected thereby, according to the loss or damage to their respective units and appurtenant common

interests, and shall be used promptly by the Association to the extent necessary for restoring or replacing said buildings and other improvements on the remaining Land according to modified plans and specifications therefor first approved as herein provided, unless such restoration or replacement is impractical in the circumstances. In the event of a partial taking in which any unit is eliminated or not restored, the Association or the trustee shall disburse the portion of the proceeds of such award allocable to said unit less the proportionate share of said unit in the cost of debris removal, to the owner and mortgagee, if any, of said unit, as their interests may appear. The Association or the trustee shall disburse the remainder of the proceeds of such award payable for or on account of said buildings and other improvements to the contractor engaged in such repair and restoration in the same manner funds are disbursed for repair and restoration work under Section M above, and in the event such proceeds are insufficient to pay the costs thereof the Board of Directors of the Association shall levy a special assessment or assessments on the owners of the units in the same manner as set forth in Paragraph 5 of Section M hereof in case of damage by fire or other casualty and said special assessment or assessments shall be secured by the lien created under Section K hereof. Unless such restoration or replacement is undertaken within a reasonable time after such condemnation, the Association at its common expense shall remove all remains of such improvements so taken or condemned and restore the site thereof to good order and condition and even grade. In the event the sums received by the Association or trustee are in excess of the cost of repairing, restoring or removing said buildings and other improvements, such excess proceeds shall be divided between the owners of the units and any mortgagees of the units, as their interests may appear.

2. In case at any time or times only a leasehold interest in the Project or any part thereof shall be taken or condemned by any authority having the power of eminent domain, or shall be sold to such authority under threat of condemnation, then and in every such case, notwithstanding the foregoing provisions of Paragraph 1 of this Section O, all compensation and damages payable for or on account of such leasehold interest shall be payable to the unit owners affected by such taking or condemnation and any mortgagees of such units; provided, however, that such taking or condemnation shall not affect the obligations of such unit owners under this Declaration.

P. PARTIAL RESTORATION. Restoration of the Project with less than all of the units after casualty or condemnation may be undertaken by the Association only pursuant to an amended declaration, duly adopted by the affirmative vote of all of the unit owners and by all holders of liens affecting all or any part of the Project, (i) removing the Project from the condominium property regime established by the execution and recordation of this Declaration, (ii) reconstituting all of the remaining units and common elements to be restored as a new condominium property regime, and

(iii) providing for payment to the owner of each unit not to be restored the agreed value of such unit and the common interest appurtenant thereto.

Q. DETERMINATION AGAINST RESTORATION. When an election is permissible under the terms of this Declaration, the Project shall be repaired, rebuilt or restored in the event of damage or destruction to all or any part of the buildings and common elements, unless, within ninety (90) days after such damage or destruction, it is determined by the vote of not less than sixty-seven percent (67%) of the unit owners (including the owners of not less than sixty-seven percent (67%) of the damaged or destroyed units) that the Project not be so repaired, rebuilt or restored.

R. ALTERATION OF PROJECT.

1. General. Except as otherwise provided herein or in the By-Laws, restoration, repair or replacement of the Project or of any building or other facility or construction of any additional building or structural alteration or addition to any structure, different in any material respect from said Condominium Map of the Project, shall be undertaken by the Association or any unit owners only pursuant to an amendment of this Declaration, duly executed by or pursuant to the affirmative vote or written consent of not less than sixty-seven percent (67%) of the unit owners and accompanied by the written consent of all unit owners whose units or appurtenant limited common elements are directly affected, as determined in a reasonable manner by the Board, and in accordance with all of the requirements of Paragraph 6 of Section I of this Declaration, and promptly upon completion of such restoration, replacement or construction, the Association shall duly file of record such amendment, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer; PROVIDED, HOWEVER, that notwithstanding any other provision in this Declaration to the contrary, the owner of a unit may make any alterations or additions within a unit, at such owner's expense, if such alterations or additions are not visible from the exterior of the units and if the structural integrity of the building is not thereby affected. The alterations or additions permitted by the immediately preceding proviso shall require only the written approval thereof, including approval of the unit owner's plans therefor, by the holders of first mortgage liens affecting such unit (if the lien holders require such approval), by the appropriate agencies of the State of Hawaii and the City and County of Honolulu if such agencies so require, by the Board of Directors of the Association (which approval shall not be unreasonably or arbitrarily withheld or delayed), and by all other unit owners thereby directly affected (as determined in a reasonable manner by the Board of Directors of the Association) and such alterations or additions may be undertaken without an amendment to the Declaration or recording of a complete set of floor plans of the Project as so altered unless required by the Condominium Property Act, in which case the unit owner shall

have the right to amend this Declaration (including the Condominium Map) as provided in Paragraph 3 of Section T of this Declaration.

2. Developer's Rights.

(a) Notwithstanding any other provision in this Declaration to the contrary and without limiting any other rights reserved to the Developer, prior to (a) the time that all units in the Project have been sold and recorded and (b) the recordation by the Developer of the "as-built" statement (with plans, if applicable) if required pursuant to Section 514B-34 of the Condominium Property Act (but in no event later than December 31, 2029), the Developer shall have the right to make alterations in the Project (and to amend this Declaration and the Condominium Map accordingly) without the approval, consent or joinder of any unit owner, which change the configuration of, alter the number of rooms of, decrease or increase the size of, or change the location of any unit (and the limited common elements appurtenant thereto) in the Project which is not sold and recorded; or to make other alterations in the Project (and to amend this Declaration and the Condominium Map accordingly) without the approval, consent or joinder of any unit owner, which make minor changes in any unit in the Project or the common elements which do not affect the physical location, design or size of any unit which has been sold and recorded, including, without limitation, changes to the metes and bounds or dimensions of the common elements, including the limited common elements, and installation or removal of gates within the Project; PROVIDED, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 4 of Section T of this Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of units in the Project and the recordation in the Bureau of Conveyances of unit conveyances transferring interests in the units from the Developer to parties not signatory to this Declaration.

(b) Notwithstanding any other provision in this Declaration to the contrary, prior to the time that all units in the Project have been sold and recorded, the Developer shall have the right to make alterations in the Project (and to amend this Declaration, the By-Laws and the Condominium Map accordingly) without the approval, consent or joinder of any unit owner, which consist of changing the unit type of any of the units in the Project; PROVIDED, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 5 of Section T of this Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of units in the Project and the recordation in the

Bureau of Conveyances of unit conveyances transferring interests in the units from the Developer to parties not signatory to this Declaration.

(c) Notwithstanding any other provision in this Declaration to the contrary (but in no event later than December 31, 2029), the Developer shall have the right to make alterations in the Project (and to amend this Declaration, the By-Laws and the Condominium Map accordingly) without the approval, consent or joinder of any unit owner, as may be appropriate or necessary, as determined by the Developer in its sole and absolute discretion, in order for the Project, the Association or the Developer, to be in compliance with laws applicable to the Project, including, without limitation, the Fair Housing Act, as amended, 42 U.S.C. Section 3601 et seq., including any and all rules and regulations promulgated thereunder (the "Fair Housing Act"), and the Americans With Disabilities Act, as amended, 42 U.S.C. Section 12101 et seq., including any and all rules and regulations promulgated thereunder (the "ADA"); PROVIDED, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 6 of Section T of this Declaration. Without limiting the generality of the foregoing, the Developer shall have the right to re-stripe parking stalls and reconfigure parking stalls to meet the requirements of the Fair Housing Act or the ADA.

(d) Notwithstanding any other provision in this Declaration to the contrary, prior to the time that all units in the Project have been sold and recorded, the Developer shall have the right to make alterations in the Project (and to amend this Declaration, the By-Laws and the Condominium Map accordingly) without the approval, consent or joinder of any unit owner, which consist of changing the designation of a parking stall (i) from a guest parking stall to a mail carrier parking stall or other type of parking stall, and (ii) from a mail carrier parking stall or other type of parking stall to a guest parking stall; PROVIDED, HOWEVER, that any changes in designation of parking stalls that are limited common elements appurtenant to one or more units shall require the consent of the unit owner(s); and PROVIDED, FURTHER, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 7 of Section T of this Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of units in the Project and the recordation in the Bureau of Conveyances of unit conveyances transferring interests in the units from the Developer to parties not signatory to this Declaration.

(e) The Type E1 unit in the Project will be offered to initial purchasers with an optional floor plan which deletes the family room on the second floor and adds a bedroom and a den in lieu thereof ("Option E1-1").

The Type E2 units in the Project will be offered to initial purchasers with an optional floor plan which deletes the family room on the second floor and adds a bedroom and a den in lieu thereof (“Option E2-1”). The Type E2R units in the Project will be offered to initial purchasers with an optional floor plan which deletes the family room on the second floor and adds a bedroom and a den in lieu thereof (“Option E2R-1”). The basic floor plans and the optional floor plans are shown or described on the Condominium Map. Notwithstanding any other provision in this Declaration to the contrary, prior to the time that all units in the Project have been sold and recorded and construction of all of the units in the Project has been completed by the Developer, the Developer shall have the right to make alterations in the Project (and to amend this Declaration, the By-Laws and the Condominium Map accordingly) without the approval, consent or joinder of any unit owner, to construct or modify the Type E1 unit, the Type E1R unit, the Type E2 units and the Type E2R units in accordance with the optional floor plans shown or described on the Condominium Map; PROVIDED, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 8 of Section T of this Declaration. As used herein the term “sold and recorded” shall mean and refer to the sale of units in the Project and the recordation in the Bureau of Conveyances of unit conveyances transferring interests in the units from the Developer to parties not signatory to this Declaration.

3. Board’s Rights. Notwithstanding any other provision in this Declaration to the contrary:

(a) The Board shall have the authority to install or cause the installation of antennas, conduits, chases, cables, wires, and other television signal distribution and telecommunications equipment upon the common elements of the Project; provided that the same shall not be installed upon any limited common element without the consent of the owner or owners of the unit or units for the use of which the limited common element is reserved; and the installation of antennas, conduits, chases, cables, wires, and other television signal distribution and telecommunications equipment upon the common elements by the Board shall not be deemed to alter, impair, or diminish the common interest, common elements, and easements appurtenant to each unit, or to be a structural alteration or addition to any building constituting a material change in the plans of the Project filed in accordance with the Condominium Property Act; provided that no such installation shall directly affect any nonconsenting unit owner.

(b) The Board shall be authorized to abandon or change the use of any television signal distribution and telecommunications equipment due to technological or economic obsolescence or to provide an equivalent function by different means or methods; and the abandonment or change of use of any television signal distribution or telecommunications equipment by the Board due to technological or economic obsolescence or to provide an equivalent function by different means or methods shall not be deemed to alter, impair or diminish the common interest, common elements, and easements appurtenant to each unit or to be a structural alteration or addition to any building constituting a material change in the plans of the Project filed in accordance with the Condominium Property Act.

(c) The Board shall have the authority to install or cause the installation of, or lease or license common elements for the installation of solar energy devices and wind energy devices on the common elements of the Project; provided that solar or wind energy devices shall not be installed upon any limited common element without the consent of the owner or owners of the unit or units for which use of the limited common element is reserved; and the installation of solar energy devices and wind energy devices on the common elements of the Project by the Board shall not be deemed to alter, impair, or diminish the common interest, common elements, or easements appurtenant to each unit or to be a structural alteration or addition to any building constituting a material change in the plans of the Project filed in accordance with the Condominium Property Act; provided that the installation does not directly affect any nonconsenting unit owner.

(d) As used in this Paragraph 3 of this Section R, the terms "directly affect", "solar energy device", "television signal distribution", "telecommunications equipment" and "wind energy device" shall have the meanings given to them in the Condominium Property Act.

(e) The Board shall have the right to make alterations in the Project (and to amend this Declaration, the By-Laws and the Condominium Map accordingly) without the approval, consent or joinder of any unit owner, which consist of changing (i) the designation of an electric vehicle charging station to a parking stall, including, without limitation, a guest parking stall, a mail carrier parking stall or other type of parking stall, and (ii) the designation of a parking stall, including, without limitation, a guest parking stall, a mail carrier parking stall or other type of parking stall, to an electric vehicle charging station; PROVIDED, HOWEVER, that any changes in designation of parking stalls that are limited common elements appurtenant to one or more units shall require the consent of the unit

owner(s); and PROVIDED, FURTHER, HOWEVER, that any such changes shall be reflected in an amendment to the Declaration as provided in Paragraph 9 of Section T of this Declaration. As used herein the term "sold and recorded" shall mean and refer to the sale of units in the Project and the recordation in the Bureau of Conveyances of unit conveyances transferring interests in the units from the Developer to parties not signatory to this Declaration.

S. MERGER OF ADDITIONAL INCREMENTS.

1. Merger of Project with Additional Phases. The provisions of that certain Declaration of Merger of Condominium Phases (hereinafter referred to as the "Declaration of Merger") recorded or to be recorded in the Bureau of Conveyances of the State of Hawaii concurrently herewith, as it may be amended from time to time, are incorporated into this Declaration and made a part hereof and shall govern in the event of a conflict with the provisions of this Declaration and the By-Laws. The Declaration of Merger, among other things, gives the Developer the right, in its sole and absolute discretion, to cause and effect an administrative merger or mergers of the Project with a condominium project or projects (which are sometimes referred to in this Declaration and the By-Laws as the additional or other phase or phases regardless of the name(s) of these other condominium project(s) and whether or not such name(s) are similar to the name of this Project) located or to be located on lands (or a portion or portions thereof) in the vicinity of the Land of the Project, which lands are described in Exhibit "C", as part of the same incremental plan of development of the Project such that the use of the respective common elements, the respective common expenses and the management of the respective affairs of the Project and the additional phases are shared, and the administration of the Project and the additional phases is unified under one association of unit owners, but the ownership interests of the unit owners in the Project and the additional phases are not altered or affected. The Declaration of Merger also gives the Developer the right, in its sole and absolute discretion, to cause and effect an ownership merger or mergers of the Project and the additional phases, as an alternative to an administrative merger or mergers of the Project and the additional phases, to provide for the common ownership of the Project and the additional phases, by all of the unit owners of the Project and the additional phases. Upon an ownership merger, all of the units in the merged phases shall be treated as though they were all included in a single condominium project (the "Merged Project"), all common elements of the merged phases will become the common elements of the Merged Project, and each unit owner's percentage of undivided interest in the common elements and in all common profits and expenses will be decreased from the percentage set forth in Exhibit "B" of this Declaration to the applicable percentage to be set forth in the Certificate of Ownership Merger filed by the Developer in accordance with the Declaration of

Merger. By accepting an interest in the Project, each owner (a) agrees to cooperate with the Developer in the merger of the Project and the additional phases, (b) consents and agrees to an administrative merger or mergers or an ownership merger or mergers, (c) agrees to execute any document or instrument necessary or appropriate, as determined in the sole and absolute discretion of the Developer, to carry out an administrative merger or mergers or an ownership merger or mergers, and (d) irrevocably appoints the Developer the true and lawful attorney of said owner, in said owner's name, place and stead, to execute, acknowledge, deliver and file any document(s) or instrument(s) necessary or appropriate, as determined in the sole and absolute discretion of the Developer, to effect an administrative merger or mergers or an ownership merger or mergers, all as more fully set forth in the Declaration of Merger.

2. No Obligations Regarding Other Phases. Nothing in this Section S as to merger shall be construed as a representation or warranty by Developer that any of the other phases will be developed or merged with the Project, or to require Developer to develop any of the other phases or to merge any of the other phases into the Project, or to prohibit Developer from dealing freely with the property described in Exhibit "C", including, without limitation, developing the whole or any part of such property for a purpose inconsistent with the merger of such property into the Project.

3. Easements for Construction and Sale of Other Phases. In connection with, and only to the extent necessary for, the development, construction and sale of units and common elements in any of the other phases as aforesaid, the Developer, its employees, agents and contractors, shall have the right to enter upon the common elements of the Project for all purposes reasonably necessary for or useful to (a) the construction and completion of any of the other phases according to plans and specifications or amended plans and specifications approved by the officer of the City and County of Honolulu having jurisdiction over the issuance of building permits, (b) the sale of units in any of the other phases, (c) the connection of the units and common elements in any of the other phases, to utilities serving the Project, and (d) the relocation or realignment of any existing easements, rights-of-way or utilities, provided that any such relocation or realignment shall not materially impair or interfere with the use and enjoyment of any unit in the Project. The Developer shall have, and hereby reserves, an easement over, under and across the common elements of the Project for the purposes of commencing and completing all work connected with or incidental to the development, construction and sale of the units and other improvements contemplated for any of the other phases, together with the right, in the form of an easement, to create and cause noise and other nuisances necessitated by and resulting from any work connected with or incidental to the development, construction and sale of the units and improvements contemplated for any of the

other phases. The Developer further reserves the right to grant, for the benefit of the owner or owners from time to time of all or any portion of each of the other phases and without the consent or joinder of any party having any interest in the Project, easements over, under, across, along, upon and through the common elements for roadway and utility purposes, access purposes, parking purposes, mailbox purposes, park purposes, pedestrian access purposes, electrical, gas, communications and other utility purposes, sanitary sewer, drainage and drainline, water, waterline, and flowage purposes, and all other purposes, to the State of Hawaii, the City and County of Honolulu, the Board of Water Supply of the City and County of Honolulu, any other appropriate governmental entity or agency, and/or any public or private utility or other corporation, partnership, individual or entity, provided that such easements and rights-of-way do not materially impair or interfere with the use of any unit in the Project or the common elements.

4. Easements for Sales Activities. Until the later of (a) December 31, 2029, or (b) if the Project has been merged with another condominium project or projects, the date which is five (5) years after the date of recordation of the most recently recorded document to effect such merger or mergers, the Developer shall have the right to conduct extensive sales activities utilizing the common elements of the Merged Project and any unit(s) still owned by the Developer, including the use of model units, sales and management offices, and extensive sales displays and activities.

5. Easements for Completion of Improvements. Until the later of (a) December 31, 2029, or (b) if the Project has been merged with another condominium project or projects, the date which is five (5) years after the date of recordation of the most recently recorded document to effect such merger or mergers, the Developer, its agents, employees, contractors, licensees, successors and assigns shall have a nonexclusive easement over the common elements of the Merged Project, as may be reasonably necessary for the completion of any improvements to and correction of defects and other punchlist items in the common elements of the Merged Project.

6. Easements in favor of Developer and Owner or Owners of the Land Described in Exhibit "C". The Developer has certain easements over, under, across, along, upon and through the Land, together with the right to grant some or all of said easements to the owner or owners from time to time of all or any portion of the land described in Exhibit "C" (the easement areas subject to easements in favor of the Developer are herein collectively called the "Easement Areas"). These easements include nonexclusive easements for road and utility purposes over, under, across, along, upon and through the roadways which are included in the common elements of the Project (the "Roadway Areas") (the Roadway Areas and all other easement areas subject to easements in favor of the

Developer are herein collectively called the "Easement Areas"). The Association, and not the Developer, is responsible for the maintenance, repair, replacement and restoration of the Easement Areas. In the event that the Developer, in its sole and absolute discretion, grants some or all of its easement rights to the owner or owners of the land described in Exhibit "C", the Association, and not the Developer or said owner or owners of the land described in Exhibit "C", shall be responsible for the maintenance, repair, replacement and restoration of the Easement Areas; provided, however, that notwithstanding the foregoing, in the event the Project is merged with any of the other phases, upon such merger the responsibility for the maintenance, repair, replacement and restoration of the Easement Areas will be determined in accordance with the provisions of the Declaration of Merger.

T. AMENDMENT OF DECLARATION.

1. Except as otherwise provided herein or in said Condominium Property Act, this Declaration may be amended by the affirmative vote or written consent of the owners of units to which are appurtenant at least sixty-seven percent (67%) of the common interests, and shall be effective only upon the recordation in the Bureau of Conveyances of an instrument setting forth such amendment and vote or written consent duly executed by the proper officers of the Association; provided, however, as follows:

(a) This Section T and any other provision herein which gives the Developer any right or authority can be amended only if, in addition to such vote or written consent of the unit owners, the Developer or its successors or assigns gives written consent to such amendment.

(b) The requirements set forth in Section U of this Declaration, if applicable, have also been satisfied.

(c) The approval of eligible holders of first mortgages (as defined below) on units to which at least fifty-one percent (51%) of the votes of units subject to mortgages held by such eligible holders of first mortgages are allocated shall be required for "Amendments of a Material Nature". "Amendments of a Material Nature" shall consist of a change to any of the provisions governing the following: (1) voting; (2) assessments, assessment liens or subordination of such liens; (3) reserves for maintenance, repair and replacement of the common elements; (4) insurance or fidelity bonds; (5) rights to use of the common elements; (6) responsibility for the maintenance and repair of the several portions of the Project; (7) expansion or contraction of the Project or the addition, annexation or withdrawal of property to or from the Project in a manner other than that specified in Section S of this Declaration; (8) boundaries of

any unit; (9) the interests in the common elements or the limited common elements; (10) convertibility of units into common elements or of common elements into units; (11) leasing of units; (12) imposition of any right of first refusal or similar restriction on the right of a unit owner to sell, transfer or otherwise convey his or her unit; (13) establishment of self-management by the Association where professional management has been required previously by this Declaration or the By-Laws or by an eligible holder of first mortgage; (14) any provision that expressly benefits holders, insurers or guarantors of mortgages on units in the Project; (15) restoration or repair of the Project after a partial condemnation or damage due to an insurable hazard in a manner other than that specified in this Declaration and in accordance with the plans and specifications therefor which will restore the same to the design immediately prior to condemnation or damage; (16) any election to terminate the legal status of the Project as a condominium property regime after substantial destruction or a substantial taking in condemnation of the Project; (17) reallocation of the interests in the common elements after a partial condemnation or a partial destruction of the Project in a manner other than that specified in this Declaration or by applicable law. To qualify as an "eligible holder of first mortgage", a first mortgagee must have made a written request to the Association for timely written notice of proposed amendments to the condominium instruments. In the event that an eligible holder of first mortgage fails to appear at a meeting of the Association at which amendments to this Declaration are proposed and considered, or fails to file a written response with the Association within sixty (60) days after it receives proper notice of the proposed amendment, delivered by certified or registered mail, with a "return receipt" requested, then and in any such event the approval of such amendments by such eligible holder of first mortgage shall be conclusively assumed.

(d) The approval of eligible holders of first mortgages on units to which at least sixty-seven percent (67%) of the votes of units subject to mortgages held by such eligible holders of first mortgages are allocated shall be required to terminate the legal status of the Project as a condominium property regime for reasons other than substantial destruction or a substantial taking in condemnation of the Project.

(e) Until the Developer Control Period Termination Date (as defined in Section BB of this Declaration), any amendments to this Declaration, the By-Laws, or the Condominium Map must be approved by the Department of Veterans Affairs, if the Department of Veterans Affairs has guaranteed any loans secured by units in the Project; provided, however, that approval shall not be required for (i) merger of the Project

with additional phases under Section S of this Declaration, or (2) amendments which annex additional phases to the Project in accordance with a development plan previously accepted by the Department of Veterans Affairs.

Notwithstanding the foregoing, at any time prior to the recordation in the Bureau of Conveyances of unit conveyances with respect to all of the units in the Project in favor of a party not a signatory to this Declaration, the Developer hereby reserves the right to amend this Declaration, the By-Laws and the Condominium Map in any manner, without the approval, consent or joinder of any other person.

2. Notwithstanding the foregoing and until the recordation in the Bureau of Conveyances of unit conveyances or agreements of sale with respect to all of the units in the Project, in favor of parties not a signatory to this Declaration, the Developer hereby reserves the right to amend this Declaration, the By-Laws and the Condominium Map, without the approval, consent or joinder of any purchaser of a unit or any of the persons then owning or leasing any unit, to make such amendments as may be required by law, by the Real Estate Commission of the State of Hawaii, by any title insurance company issuing a title insurance policy on the Project or any of the units, by any institutional lender lending funds on the security of the Project or any of the units, by any purchaser, insurer or guarantor of loans, including, for example, the United States Department of Housing and Urban Development, the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation or the Department of Veterans Affairs, to enable it to purchase, insure or guarantee a loan made on the security of the Project or any of the units, by any governmental entity or agency, or to clarify or correct technical, typographical or scrivener's errors; provided, however, that, except as otherwise provided herein, no such amendment which would change the common interest appurtenant to a unit or substantially change the design, location or size of a unit or the building in which it is located shall be made without the consent to such amendment by all persons having an interest in such unit.

The acceptance or acquisition by any party of any interest in the Project shall constitute (a) an agreement and consent by such party to the right of the unit owner to obtain the Permits, all without any further approval, consent or joinder of such party, (b) an agreement to cooperate with the unit owner, as may be reasonably necessary or appropriate, to enable that owner to obtain the Permits for said unit owner's additions and/or alterations, and (c) an appointment by such party of said unit owner as the true and lawful attorney-in-fact of such party to obtain the Permits for said unit owner's additions and/or alterations. Said power of attorney shall be coupled with an interest and irrevocable, and shall not be affected by the disability of such party.

2. Notwithstanding any other provision in this Declaration or the By-Laws to the contrary, the Association, upon the approval of the Board, shall have the right and authority, on behalf of all of the owners and others with an interest in the Project, to apply for and obtain the Permits to make additions and/or alterations to the common elements in accordance with this Declaration and the By-Laws.

3. Notwithstanding any other provision in this Declaration or the By-Laws to the contrary, the Developer shall have the right and authority, on behalf of all of the owners and others with an interest in the Project, to apply for and obtain the Permits to make additions and/or alterations to the common elements in accordance with this Declaration and the By-Laws.

X. COMPLIANCE WITH DECLARATION, BY-LAWS AND KOA RIDGE COVENANTS. All unit owners, their tenants, lessees, families, servants, guests, invitees, licensees, employees, and any other persons who may in any manner use the Project, or any part thereof, shall be bound by and subject to the provisions of said Condominium Property Act and to the provisions of this Declaration, the By-Laws of the Association, and all agreements, decisions and determinations of the Association as

lawfully made or amended from time to time. All unit owners, their tenants, lessees, families, servants, guests, invitees, licensees, employees, and any other persons who in any manner use the Project, or any part thereof, shall comply strictly with the By-Laws and with the Rules and Regulations adopted pursuant thereto, as either of the same may be lawfully amended from time to time, and with the covenants, conditions and restrictions set forth in this Declaration. Failure to comply with any of the same shall be grounds for an action to recover sums due, for damages or injunctive relief, or both, maintainable by the Managing Agent or the Board of Directors of the Association on behalf of the Association or by the Developer or, in a proper case, by an aggrieved unit owner.

In addition, the Association, all unit owners, their tenants, lessees, families, servants, guests, invitees, licensees, employees, and any other persons who may in any manner use the Project, or any part thereof, shall be bound by and subject to the provisions of the Koa Ridge Covenants.

In the event of the failure of any unit owner to comply fully with any of the foregoing within thirty (30) days after written demand therefor by the Board of Directors of the Association, the Board of Directors shall promptly give written notice of such failure to the holder of any mortgage of such unit as shown in the Association's record of ownership or who has given the Board of Directors notice of its interest through the Secretary of the Association or the Managing Agent.

All costs and expenses, including reasonable attorneys' fees, incurred by or on behalf of the Association or the Board of Directors for:

1. collecting any delinquent assessments against any owner's unit; or
2. foreclosing any lien thereon; or
3. enforcing any provision of the Koa Ridge Covenants, this Declaration, the By-Laws and/or the Rules and Regulations adopted pursuant to the By-Laws or said Condominium Property Act; or
4. enforcing the rules of the Real Estate Commission of the State of Hawaii;

against an owner, occupant, tenant, employee of an owner, or any other person who may in any manner use the Project shall be promptly paid on demand to the Association by such person or persons; provided that if the claims upon which the Association or Board of Directors takes any action are not substantiated, all costs and expenses, including reasonable attorneys' fees, incurred by any such person or persons as a result of the action of the Association or Board of Directors, shall be promptly paid on demand to such person or persons by the Association.

If any claim by an owner is substantiated in any action against the Association, any of its officers or directors, or the Board of Directors to enforce any provision of this Declaration, the By-Laws of the Association, the Rules and Regulations adopted pursuant thereto, or the Condominium Property Act, then all reasonable and necessary expenses, costs and attorneys' fees incurred by the owner shall be awarded to such owner; provided that no such award shall be made in any derivative action unless: (i) the owner first shall have demanded and allowed reasonable time for the Board of Directors to pursue such enforcement; or (ii) the owner demonstrates to the satisfaction of the court that a demand for enforcement made to the Board of Directors would have been fruitless.

If any claim by a unit owner is not substantiated in any court action against the Association, any officer or director of the Association, or the Board to enforce any provision of this Declaration, the By-Laws, the Rules and Regulations or the Condominium Property Act, then all reasonable and necessary expenses, costs and attorneys' fees incurred by the Association shall be awarded to the Association, unless before filing the action in court the unit owner has first submitted the claim to mediation, or to arbitration under the Condominium Property Act, and made a good faith effort to resolve the dispute under any of those procedures.

The acceptance of a unit conveyance, agreement of sale, mortgage or rental agreement, or the entering into occupancy of any unit in the Project, shall constitute an agreement that the provisions of the Koa Ridge Covenants, this Declaration, the By-Laws of the Association and the Rules and Regulations adopted pursuant thereto, as each may be amended from time to time, are accepted, ratified and will be strictly complied with by a unit owner, such unit owner's tenants, lessees, family, servants, guests, invitees, licensees and employees, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such unit as though such provisions were recited and stipulated at length in each and every unit conveyance, agreement of sale, mortgage or rental agreement thereof.

The Association shall be bound by the waivers of claims, rights of action and suits against the Developer, its successors and assigns, contained in the unit conveyances by the Developer to purchasers of units in the Project, and the Association shall not bring against the Developer, its successors and assigns, any claim or right of action or suit relating to any of the matters waived by the purchasers in such unit conveyances.

Y. SECURITY. Neither the Developer nor the Association shall be considered in any way an insurer or guarantor of security within the Project and each unit owner agrees not to hold the Developer or the Association liable for any loss or damage such unit owner or anyone else may suffer by reason of a failure to provide adequate security or from the ineffectiveness of any security measures undertaken at the Project. Each unit owner assumes all risk of injury, loss or damage that may arise due to a failure

to provide adequate security or from the ineffectiveness of any security measures undertaken at the Project. By acquiring an interest in a unit in the Project, each unit owner acknowledges and agrees that neither the Developer nor the Association has made any representations or warranties, either express or implied, about any security measures at the Project and such unit owner has not relied upon any such representations or warranties.

Z. MEDIATION/ARBITRATION OF CERTAIN DISPUTES INVOLVING THE DEVELOPER OR DEVELOPMENT TEAM MEMBERS.

1. Any and all claims or disputes in any way connected with the design, development, construction, sale, marketing, financing, warranties, or any other activity or matter relating to the Project, between the Association, on the one hand, and the Developer and/or the Developer's affiliates, on the other hand (a "Dispute"), that are unable to be resolved through negotiation shall be submitted to mediation and if applicable, final and binding arbitration, as provided in this Section Z.

2. If the Dispute is governed by the Hawaii Contractor Repair Act, Chapter 672E of the Hawaii Revised Statutes ("Contractor Repair Act"), the parties shall comply with the requirements of the Contractor Repair Act. The provisions of this Section Z are intended to comply with (and shall be construed consistent with) the requirements of the Contractor Repair Act and any applicable law. In the event of an irreconcilable conflict between the foregoing provisions and the provisions of said Contractor Repair Act, the provisions of the Contractor Repair Act and any applicable law shall govern and control.

3. At the Developer's option, the mediation and/or arbitration shall include all or any of the Developer's agents, architects, consultants, engineers, contractors, subcontractors, suppliers, representatives or other third parties ("Related Parties"), and any action by the Association against any of the Related Parties (and not directly against the Developer) in respect of the Project which the Developer shall determine directly or indirectly affects the Developer, shall at the Developer's option, be subject to these mediation and arbitration provisions.

4. The parties shall attempt in good faith to settle the Dispute by non-binding mediation. The mediation shall be conducted in Honolulu, Hawaii, and shall be administered by Dispute Prevention & Resolution, Inc. (the "Service"), in accordance with its Mediation Rules, Procedures and Protocols, except as may be inconsistent with this section. The parties may agree on the selection of a single mediator instead of having a mediator appointed by the Service, and the parties may agree to use a recognized mediation service other than the Service. If the Service is not available, the parties may agree on the selection of a single mediator and if they are unable to agree on the selection of a single mediator, then any party

may petition a judge of the First Circuit Court, State of Hawaii, for the appointment of a mediator or all parties may agree to waive mediation and have the Dispute decided by arbitration as provided below. At the Developer's option, the mediation shall include all or any Related Parties as parties. Either party may notify the other party in writing of its request to commence mediation. Prior to the commencement of mediation, the Association agrees to provide Developer, the Related Parties and their consultants with reasonable access to those portions of the Project that are the subject of the Dispute. The parties may agree on the date of commencement of the mediation; provided, however, that (1) if the parties are unable to agree on the date of commencement of the mediation and the mediation does not include Related Parties, then unless the parties otherwise agree, the mediation shall commence within thirty (30) calendar days after the request to commence mediation is made by one party to the other party or as soon thereafter as permitted by the mediator's schedule, or (2) if the parties are unable to agree on the date of commencement of the mediation and the mediation does include Related Parties, then unless the parties otherwise agree, the mediation shall commence within sixty (60) calendar days after the request to commence mediation is made by one party to the other party or as soon thereafter as permitted by the mediator's schedule. The costs for the mediator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the mediation.

5. If the parties are unable to resolve the claim or dispute through mediation as provided in the preceding section, then such claim or dispute shall be decided by arbitration. The arbitration shall be held in Honolulu, Hawaii, shall be determined by a single arbitrator and shall be administered by the Service, in accordance with its Arbitration Rules, Procedures & Protocols (the "DPR Arbitration Rules"), except as may be inconsistent with this section. The parties may agree on the selection of a single arbitrator instead of having an arbitrator appointed by the Service, and the parties may agree to use a recognized arbitration service other than the Service. If the Service is not available, the parties may agree on the selection of a single arbitrator and if they are unable to agree on the selection of a single arbitrator, then a party may request that a judge of the United States District Court for the District of Hawaii select the arbitrator. At the Developer's option, the arbitration shall include any of the Related Parties as parties. Notwithstanding anything herein, in the DPR Arbitration Rules or in the rules of any other arbitration service used for the arbitration (the "Other Rules"), the costs for the arbitrator shall be shared equally by the parties, and each party shall be responsible to pay all other fees and costs, including attorneys' fees, that it incurs in connection with the arbitration. This arbitration provision and the rights and liabilities of the parties with respect to this arbitration provision shall be governed by, and construed and interpreted in accordance with the Federal Arbitration Act, as amended from time to time, to the exclusion of any state law,

regulation or judicial decision. The award of the arbitrator shall be final and binding upon the parties and judgment on the award rendered by the arbitrator may be entered in any federal court of competent jurisdiction in the State of Hawaii. All judicial proceedings brought against any of the parties arising out of or relating to this arbitration provision shall be brought in any federal court of competent jurisdiction in the State of Hawaii.

DD. MORTGAGE SUBORDINATION. Any mortgage or deed of trust affecting any portion of the Project shall at all times be subject and subordinate to the terms of this Declaration, regardless of the order of recording, and any party foreclosing any such mortgage or deed of trust or acquiring title by deed in lieu of foreclosure or

trustee sale shall acquire title subject to all of the terms and provisions of this Declaration.

EE. CONFLICTS; CHANGES IN LAW. In the event of any conflict or inconsistency between the provisions of this Declaration and the Condominium Property Act, the provisions of the Condominium Property Act shall prevail. In the event any change in the Condominium Property Act shall result in a conflict or inconsistency between the provisions of this Declaration and the Condominium Property Act, the provisions of the Condominium Property Act shall prevail.

FF. INVALIDITY. The invalidity of any provision of this Declaration shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Declaration, and in such event, all of the other provisions of this Declaration shall continue in full force and effect as if such provision had never been included therein.

GG. WAIVER. No provision contained in this Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

EXHIBIT "D"

Article II, Article III, Article VII and Article VIII of the By-Laws of the Association of Unit Owners of Walea at Koa Ridge – Phase I, as set forth below, are hereby incorporated into the Declaration.

ARTICLE II

ASSOCIATION OF UNIT OWNERS

Section 1. Membership. All owners of units in the Project shall constitute the Association. The owner of any unit upon acquiring title thereto shall automatically become a member of the Association and shall remain a member thereof until such time as his ownership of such unit ceases for any reason, at which time his membership in the Association shall automatically cease.

Section 2. Powers of the Association. The Association shall have all of the powers with respect to the operation and regulation of the Project conferred upon the Association by, or which may be conferred upon the association of unit owners of a condominium project pursuant to the provisions of, the Condominium Property Act, including without limiting the generality of the foregoing:

- (a) The election of a Board of Directors.
- (b) The management, maintenance, acquisition, construction and care of the Association property. As used herein, the term "Association property" includes the common elements of the Project, property held by the Association, property commonly held by its members, property within the Project privately held by its members but which may be subject to a common maintenance assessment by the Association for such purposes as insurance, and property owned by any governmental agency or private or public utility and used for the benefit of the Association's members.
- (c) The collection of common expenses and limited common expenses from the owners.
- (d) The designation and removal of personnel necessary for the maintenance, repair and replacement of the common elements.
- (e) The establishment of such restrictions and requirements not inconsistent with the Declaration, the Condominium Property Act or these By-Laws regarding the use and maintenance of the units and the use of the common elements.
- (f) The amendment of these By-Laws in accordance with the Declaration, Article IX, Section 10 hereof, and the Condominium Property Act.

(g) Any and all powers not inconsistent with any law or the Declaration, which are reasonably incidental to the fulfillment of the purposes of the Condominium Property Regime set forth in the Declaration, or are reasonably incidental to the exercise of the Association's powers as set forth in the Declaration or herein.

Nothing in this Section 2 shall prohibit the delegation by the Association of any of its powers in accordance with these By-Laws, as amended from time to time.

Notwithstanding anything to the contrary provided herein, from the date of the recordation of the Declaration until the initial Board of Directors of the Association is elected at the first meeting of the Association, the Developer shall have the right to exercise all of the powers of the Association and the Board of Directors and officers of the Association, including voting.

Section 3. Meetings. The first meeting of the Association shall be held upon the call of the Developer not later than the first to occur of (i) one hundred eighty (180) days after recordation of the first unit conveyance, provided that forty percent (40%) or more of the Project has been sold and recorded, or (ii) one hundred twenty (120) days after the date seventy-five percent (75%) of the total number of units has been sold and recorded. If forty percent (40%) of the Project is not sold and recorded at the end of one (1) year after recordation of the first unit conveyance, an annual meeting shall be called if ten percent (10%) of the owners so request. The term "sold and recorded" shall mean and refer to the sale of units in the Project, and the recordation of unit conveyances transferring interests in the units from the Developer to parties not signatory to the Declaration. Thereafter, annual meetings of the Association shall be held within 120 days following the close of the fiscal year of the Association as selected by the Board of Directors, on such date as the Board of Directors may designate, or if the Board of Directors shall fail to designate such date by the sixtieth (60th) day following the close of said fiscal year, then on the third Tuesday in the fourth calendar month following the close of said fiscal year. Each annual meeting shall be a general meeting, and at such meeting any business within the powers of the Association, without special notice of such business, may be transacted except as limited by law, the Declaration or these By-Laws. Special meetings of the Association may be called by the President, a majority of the Board, or by a petition to the Secretary or the Managing Agent signed by not less than twenty-five percent (25%) of the unit owners as shown in the Association's record of ownership; provided that if the Secretary or Managing Agent fails to send out the notices for the special meeting within fourteen (14) days of receipt of the petition, the petitioners shall have the authority to set the time, date and place for the special meeting and to send out the notices and proxies for the special meeting at the Association's expense in accordance with these By-Laws and the Condominium Property Act; provided further that a special meeting based upon a petition to the Secretary or Managing Agent shall be set no later than sixty (60) days from receipt of the petition. At any special meeting only such business shall be transacted as shall have been indicated by a specific or general description in the notice of such meeting. All meetings of the Association shall be held at

the address of the Project or such other suitable place within the State of Hawaii as determined by the Board of Directors; provided that in the event of a natural disaster, such as a hurricane, an Association meeting may be held outside the State of Hawaii.

Section 4. Special Meeting Upon Merger. Notwithstanding anything to the contrary contained in these By-Laws, in the event that the Project is merged with an additional phase or phases in accordance with the Declaration of Merger referred to in Section S of the Declaration, a special meeting of the Association shall be called and held within sixty (60) days following the date of any such merger. At such meeting, a new Board of Directors for the Association, as reconstituted by any such merger, shall be elected to replace the existing Board.

Section 5. Notice of Meetings. Any notices permitted or required to be given herein must be in writing and may be: (a) hand-delivered; (b) sent prepaid by United States mail to the mailing address of each unit or to any other mailing address designated in writing by the unit owner; or (c) at the option of the unit owner, expressed in writing, by electronic mail to the electronic mailing address designated in writing by the unit owner. The notice of any meeting of the Association must state the date, time, and place of the meeting, and the items on the agenda, including the general nature and rationale of any proposed amendment to the Declaration or these By-Laws, and any proposal to remove a member of the Board; provided that this section shall not preclude any unit owner from proposing an amendment to the Declaration or these By-Laws or to remove a member of the Board at any annual Association meeting. Notices of all Association meetings, whether annual or special, shall be given at least fourteen (14) days before the date of the meeting. Notwithstanding the foregoing, (a) notices of a special meeting to approve Material Amendments or Extraordinary Actions, as described in Section U of the Declaration, shall be given at least twenty-five (25) days before the date of the meeting, shall state the purpose of the meeting and contain a summary of the proposed Material Amendments or Extraordinary Actions and shall include a copy of the proxy form that may be used in lieu of attendance at the meeting, and (b) notices of a special meeting to fill vacancies in the Board of Directors shall include notice of the election to fill the vacancy and the meeting date shall be set on a date that allows sufficient time for owners to declare their intentions to run for election and to solicit proxies for that purpose. If delivery is made by mail, the notice shall be deemed to have been given twenty-four (24) hours after a copy of it has been deposited in the United States mail, postage prepaid, addressed to the person to whom the notice is to be given at the address given by such person to the Board of Directors from time to time, in writing, or to the unit which such person owns if no address has been given to the Board of Directors. Upon written request for notice delivered to the Board of Directors, the holder of any duly recorded mortgage against any unit shall promptly be furnished a copy of any and all notices permitted or required herein to be made to the owner or owners whose unit is subject to such mortgage and which notices are specifically requested by the holder of such mortgage. Said request for notice need not be renewed and shall entitle the holder

of such mortgage requesting such notice to receive all notices sent to the owner or owners whose unit is subject to said mortgage from and after the date of said request until said request is withdrawn or the mortgage is discharged of record. If notice is given pursuant to the provisions of this section, the failure of any unit owner to receive actual notice of the meeting shall in no way invalidate the meeting or any proceedings thereat. The presence of all owners, in person or by proxy, at any meeting shall render the same a valid meeting notwithstanding that notice thereof was not given or was improper, unless any owner shall at the opening of such meeting object to the holding of such meeting because of the failure to comply with the provisions of this section.

Section 6. Quorum. The presence at any meeting in person or by proxy of at least thirty-five percent (35%) of the owners shall constitute a quorum, and the acts of a majority of the owners present at any meeting at which a quorum is present shall be the acts of the Association except as otherwise provided herein. The term "thirty-five percent (35%) of the owners" herein means the owners of units to which are appurtenant thirty-five percent (35%) of the common interests as established by the Declaration, or, in the event of an ownership merger of the Project with an additional phase or phases, as set forth in the Certificate of Ownership Merger, as provided in the Declaration of Merger referred to in Section S of the Declaration. The term "majority of the owners present at any meeting" shall mean owners of units to which are appurtenant more than fifty percent (50%) of the aggregate common interests appurtenant to units owned by those present at the meeting. Any other specified percentage of the owners means the owners of units to which are appurtenant such percentage of the common interests.

Section 7. Voting. All owners shall be members of the Association and shall be entitled to vote at meetings thereof. Voting shall be on a percentage basis with the percentage of the total vote to which each unit is entitled being the same as the percentage of the common interests assigned to such unit in the Declaration, or, in the event of an ownership merger of the Project with an additional phase or phases, as set forth in the Certificate of Ownership Merger, as provided in the Declaration of Merger referred to in Section S of the Declaration. The vote for any unit owned of record by two or more persons may be exercised either collectively by all co-owners, or individually by any one of them present at any meeting in the absence of protest by the other co-owner or co-owners. In no event, however, shall the percentage of vote for any unit be fractionalized. Votes may be cast in person or pursuant to a proxy duly executed by a unit owner. A unit owner may vote by mail or electronic transmission through a duly executed proxy. If the unit is owned by more than one person, each owner of the unit may vote or register protest to the casting of votes by the other owners of the unit through a duly executed proxy. In the absence of protest, any owner may cast the votes allocated to the unit by proxy. A unit owner may revoke a proxy given pursuant to this section only by actual notice of revocation to the Secretary or the Managing Agent. A proxy is void if it purports to be revocable without notice. A personal representative, guardian or trustee may vote in person or by proxy at any meeting of the Association the percentage

of vote for any unit owned or controlled by him in such capacity, whether or not the same shall have been transferred to his name in the Association's record of ownership, provided that he shall first present evidence satisfactory to the Secretary that he owns or controls such unit in such capacity. The purchaser of a unit under any agreement of sale recorded in the Bureau of Conveyances shall have all the rights of an owner, including the right to vote, unless the seller under such agreement of sale retains the right to vote pursuant to the Condominium Property Act. No votes allocated to a unit owned by the Association may be cast for the election or re-election of directors.

Section 8. Proxies and Pledges. The authority given by any unit owner to another person to represent him at meetings of the Association shall be in writing.

(a) A proxy, to be valid, shall: (i) be delivered to the Secretary or the Managing Agent no later than 4:30 p.m. on the second business day prior to the date of the meeting to which it pertains; and (ii) contain at least the name of the Association, the date of the meeting of the Association, the printed names and signatures of the persons giving the proxy, the unit numbers for which the proxy is given, the names of the persons to whom the proxy is given, and the date that the proxy is given.

(b) If a proxy is a standard proxy form authorized by the Association, the proxy shall comply with the following additional requirements: (i) the proxy shall contain boxes wherein the owner may indicate that the proxy is given: (A) for quorum purposes only; (B) to the individual whose name is printed on a line next to this box; (C) to the Board of Directors as a whole and that the vote be made on the basis of the preference of the majority of the directors present at the meeting; or (D) to those directors present at the meeting with the vote to be shared with each director receiving an equal percentage; provided that if the proxy is returned with no box or more than one of the boxes in subsection (A) through (D) checked, the proxy shall be counted for quorum purposes only; and (ii) the proxy form shall also contain a box wherein the owner may indicate that the owner wishes to obtain a copy of the annual audit report.

(c) A proxy shall only be valid for the meeting to which the proxy pertains and its adjournments, may designate any person as proxy and may be limited as the unit owner desires and indicates; provided that no proxy shall be irrevocable unless coupled with a financial interest in the unit.

(d) A copy, facsimile telecommunication, or other reliable reproduction of a proxy may be used in lieu of the original proxy for any and all purposes for which the original proxy could be used; provided that any copy, facsimile telecommunication, or other reproduction shall be a complete reproduction of the entire original proxy.

(e) Nothing in this section shall affect the holder of any proxy under a first mortgage of record encumbering a unit or under an agreement of sale affecting a unit.

(f) With respect to the use of Association funds to distribute proxies:

(i) if the Board intends to use Association funds to distribute proxies, including the standard proxy form referred to in this section, the Board shall first post notice of its intent to distribute proxies in prominent locations within the Project at least twenty-one (21) days before its distribution of proxies. If the Board receives within seven (7) days of the posted notice a request by any unit owner for use of Association funds to solicit proxies accompanied by a statement, the Board shall mail to all unit owners either: (a) a proxy form containing the names of all unit owners who have requested the use of Association funds for soliciting proxies accompanied by their statements; or (b) a proxy form containing no names, but accompanied by a list of names of all owners who have requested the use of Association funds for soliciting proxies and their statements. The statement, which shall be limited to black text on white paper, shall not exceed one single-sided 8-1/2" x 11" page, indicating the owner's qualifications to serve on the Board or reasons for wanting to receive proxies; and (ii) the Board or member of the Board may use Association funds to solicit proxies as part of the distribution of proxies. If a member of the Board, as an individual, seeks to solicit proxies using Association funds, the Board member shall proceed as a unit owner under subpart (i) of this subsection.

(g) No Managing Agent or resident manager, if any, or their employees, shall solicit, for use by the Managing Agent or the resident manager, if any, any proxies from any unit owner, nor shall the Managing Agent or the resident manager, if any, cast any proxy vote at any Association meeting except for the purpose of establishing a quorum.

(h) The Board shall not adopt any rule prohibiting the solicitation of proxies or distribution of materials relating to Association matters on the common elements by unit owners; provided that the Board may adopt rules regulating reasonable time, place, and manner of the solicitations or distributions, or both.

Section 9. Adjournment. Any meeting of the Association may be adjourned from time to time to such place and time as may be determined by majority vote of the owners present, whether or not a quorum is present, without notice other than the announcement at such meeting. At any such adjourned meeting at which a quorum is present, any business may be transacted which might have been transacted by a quorum at the meeting as originally called.

Section 10. Order of Business. The order of business at all meetings of the Association shall be as follows:

- (a) Roll call.
- (b) Proof of notice of meeting.
- (c) Reading of minutes of preceding meeting.

- (e) Report of Board of Directors.
- (f) Report of committees.
- (g) Election of directors (when so required).
- (h) Appointment of Auditor.
- (i) Unfinished business.
- (j) New business.

Section 11. Conduct of Meetings. All meetings of the Association shall be conducted in accordance with the most recent edition of Robert's Rules of Order Newly Revised. Notwithstanding any provision to the contrary in the Declaration or these By-Laws, including, without limitation, Article II, Section 12 of these By-Laws, electronic meetings and electronic, machine or mail voting shall be authorized: (a) during any period in which a state of emergency or local state of emergency, declared pursuant to Chapter 127A of the Hawaii Revised Statutes, as amended, is in effect in the county in which the Project is located; or (b) for any Association meeting for which notice was given while a state of emergency or local state of emergency, declared pursuant to Chapter 127A of the Hawaii Revised Statutes, as amended, was in effect for the county in which the Project is located but is no longer in effect as of the date of the meeting; provided that the meeting is held within sixty (60) days of the date the notice was first given.

Section 12. Electronic Voting Device. Except as provided in Article II, Section 11 of these By-Laws, at any Association meeting, the Board may direct the use of an electronic voting device regardless of whether a secret ballot is used or required. Except as provided in Article II, Section 11 of these By-Laws, the use shall be subject to the following:

(a) The electronic voting device and all associated equipment shall be isolated from any connection to an external network, including the Internet;

(b) The Board shall establish reasonable procedures to provide for the secrecy and integrity of the unit owners' votes, including but not limited to procedures that ensure the availability of a printed audit trail containing: (i) the reference number of the electronic voting device; (ii) each common interest voted; and (iii) the vote that was tabulated;

(c) A copy of the printed audit trail shall be available to unit owners after the meeting in the same manner provided in Article V, Sections 9 and 11 of these By-Laws; and

(d) A copy of the procedures established pursuant to subsection (b) of this section shall be available at no charge to any unit owner and a copy

shall be available at any meeting at which the Association uses an electronic voting device.

In the event of any conflict between this section and Article II, Section 11 of these By-Laws, Article II, Section 11 shall control.

Section 13. Minutes of Meetings. The minutes of meetings of the Association shall be approved at the next succeeding annual meeting or by the Board, within sixty (60) days after the meeting, if authorized by the unit owners at an annual meeting. If approved by the Board, unit owners shall be given a copy of the approved minutes or notified of the availability of the minutes within thirty (30) days after approval. Minutes of all meetings of the Association shall be available within seven (7) calendar days after approval, and unapproved final drafts of the minutes of a meeting shall be available within sixty (60) days after the meeting. An owner shall be allowed to offer corrections to the minutes at an Association meeting.

Section 14. Committees. The Association may create and appoint such general or special committees as the affairs of the Association may require and define the authority and duties of such committees.

ARTICLE III

BOARD OF DIRECTORS

Section 1. Number and Qualifications. The affairs of the Association shall be governed by a Board of Directors composed of three (3) directors; provided, that during the Developer Control Period, the Developer shall have the right to appoint and remove two (2) of the director positions on the Board. Members of the Board shall be unit owners or co-owners, vendees under an agreement of sale, a trustee of a trust which owns a unit, or an officer, partner, member or other person authorized to act on behalf of any other legal entity which owns a unit. There shall not be more than one representative on the Board of Directors from any one unit. No resident manager or employee of the Project or tenant occupying a dwelling unit for dwelling purposes who is not also an owner of a dwelling unit in the Project, shall serve on the Board of Directors. Except as specifically authorized by the Association at an annual or special meeting, no director shall receive any compensation from the Association for acting as such, but may be reimbursed for actual expenses incurred in the course of acting as such director.

Section 2. Election and Term. Election of directors other than the Developer directors shall be by cumulative voting by secret ballot at each annual meeting and each special meeting called for that purpose. The Developer directors shall be appointed at the first meeting of the Association and shall serve at the pleasure of the Developer. Directors other than the Developer directors shall hold office for a period of

two (2) years and until their respective successors have been elected, subject to removal as herein provided; provided that at the first annual meeting or special meeting of the Association after the Developer Control Period in which Board members shall be elected, one (1) of the directors shall be elected for one (1) year and the other elected director(s) shall be elected for two (2) years in order to provide for staggered terms. Directors shall be elected at each annual meeting to fill the vacancy in the office of director occurring as of the time of such meeting. The term "cumulative voting" as used herein means that each owner may cast for any one or more nominees to the Board a vote equivalent to the vote which such owner is entitled to multiplied by the number of directors to be elected, and each owner shall be entitled to cumulate his votes and give all thereof to one nominee or to distribute his votes in such manner as he shall determine among any or all of the nominees, and the nominees receiving the highest number of votes on the foregoing basis, up to the total number of directors to be elected, shall be deemed elected and shall be given the longest term.

Section 3. Vacancies. Any vacancies in the Board of Directors other than a vacancy of the Developer director positions, a vacancy caused by the natural expiration of the term of a director or the removal of a director by the Association shall be filled by vote of a majority of the remaining directors, even though they may constitute less than a quorum, and each person so elected shall serve until his successor is elected at the next annual or duly noticed special meeting of the Association. A vacancy of the Developer director positions shall be filled by the Developer within sixty (60) days of the vacancy; provided, that if the Developer directors are not initially appointed by the first meeting of the Association or the Developer director positions become vacant and are not filled by the Developer within said 60-day period, the Developer director positions shall be filled by vote of a majority of the remaining directors, even though they may constitute less than a quorum, and each person so elected shall serve until replaced by the Developer directors appointed by the Developer. Death, incapacity or resignation of any director, or his ceasing to be the owner or co-owner of record of a unit, a vendee of a unit under an agreement of sale, a trustee of a trust which owns a unit, or an officer, partner, member or other person authorized to act on behalf of any other legal entity which owns a unit, shall cause his office to become vacant.

Section 4. Removal of Directors. At any annual or special meeting of the Association duly called, any member of the Board other than the Developer directors may be removed and successors shall be elected for the remainder of the term to fill the vacancies thus created. The removal and replacement shall be by a vote of a majority of the unit owners and, otherwise, in accordance with all applicable requirements and procedures in these By-Laws for the removal and replacement of directors, and, if removal and replacement is to occur at a special meeting, Article II, Section 3 of these By-Laws. Any director whose removal has been proposed by the unit owners shall be given an opportunity to be heard at such meeting.

Any director other than the Developer directors who shall miss three (3) consecutive meetings of the Board may be removed by vote of a majority of the remaining directors, even though they may constitute less than a quorum; provided, however, that this right of removal shall be without prejudice to the unit owners' right to remove directors as provided in this Section 4. The replacement of the director removed by the Board shall be in accordance with all applicable requirements and procedures in these By-Laws for the replacement of directors. Any director removed by the Board shall not be eligible for reelection to the Board for a period of one (1) year after such director's removal.

Section 5. Organizational Meetings. The first meeting of the Board of Directors shall be held at the place of and immediately following each annual meeting of the Association, and no notice shall be necessary to any directors in order validly to constitute such meeting, provided that a majority of the whole Board shall be present. At such meeting the Board shall elect the officers of the Association for the ensuing year. In the event that the Project is merged with an additional phase or phases as provided in the Declaration of Merger referred to in Section S of the Declaration, the first meeting of the Board of Directors of the Association as reconstituted by any such merger, shall be held at the place of and immediately following the special meeting of the Association called and held pursuant to Section 4 of Article II of these By-Laws, and no notice shall be necessary to any directors in order validly to constitute such meeting, provided that a majority of the whole Board shall be present. At such meeting, the new Board shall elect the officers of the Association for the ensuing year or portion thereof.

Section 6. Regular Meetings. The Board of Directors shall meet at least once a year. Regular meetings of the Board of Directors may be held at such time and place as shall be determined from time to time by a majority of the directors, but at least one such meeting shall be held during each calendar year. Notice of regular meetings of the Board shall be given to each director in a reasonable manner at least fourteen (14) days, if practicable, prior to the date of the meeting.

Section 7. Special Meetings. Special meetings of the Board of Directors may be called by the President on at least three (3) days' notice to each director, given personally or by telephone, or facsimile transmission, which notice shall state the time, place and purpose of such meeting. Special meetings of the Board shall be called by the President or Secretary in like manner and with like notice on the written request of at least two (2) directors.

Section 8. Conduct of Meetings.

(a) All meetings of the Board of Directors, other than executive sessions, shall be open to all members of the Association, and Association members who are not on the Board of Directors shall be permitted to participate in any deliberation or

discussion, other than executive sessions, pursuant to owner participation rules adopted by the Board of Directors.

(b) Following any election of Board members by the Association, the Board of Directors may, at the next regular or duly noticed special meeting of the Board of Directors, establish rules for owner participation in any deliberation or discussion at Board of Directors meetings, other than executive sessions, provided that the Board of Directors: (i) shall notify all owners of the rules; and (ii) may amend the rules at any regular or duly noticed special meeting of the Board of Directors provided that all owners are notified of any adopted amendments.

(c) The Board of Directors, by majority vote, may adjourn a meeting and reconvene in executive session to discuss and vote upon matters: (i) concerning personnel; (ii) concerning litigation in which the Association is or may become involved; (iii) necessary to protect the attorney-client privilege of the Association; or (iv) necessary to protect the interests of the Association while negotiating contracts, leases, and other commercial transactions. The general nature of any business to be considered in executive session shall first be announced in open session.

(d) All meetings of the Board of Directors (whether organizational, regular or special) shall be conducted in accordance with the most recent edition of Robert's Rules of Order Newly Revised.

(e) A director shall not vote by proxy at Board meetings.

Section 9. Notices; Waiver of Notice. Notice of all Board meetings and other notices to the directors shall be given to each director by the Secretary or the person or persons calling the meeting. Notice of all Board meetings shall be posted by the Managing Agent, resident manager, if any, or a member of the Board, in prominent locations within the Project seventy-two (72) hours prior to the meeting or simultaneously with notice to the Board of Directors. The notice shall include a list of business items expected to be on the meeting agenda. Before or at any meeting of the Board of Directors, any director may in writing waive notice of such meeting, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the Board shall be a waiver of notice to him of such meeting. If all the directors are present at any meeting of the Board, no notice thereof shall be required, and any business may be transacted at such meeting.

Section 10. Quorum of Board. At all meetings of the Board of Directors a majority of the total number of directors established by these By-Laws shall constitute a quorum for the transaction of business, and action by a majority of the directors present at any meeting at which a quorum is present shall constitute action by the Board. If less than a quorum shall be present at any meeting of the Board, a majority of those present may adjourn the meeting from time to time. At any such adjourned meeting at which a

quorum is present, any business which might have been transacted at the meeting as originally called may be transacted without further notice.

Section 11. Powers and Duties of the Board. The Board of Directors shall have the powers and duties necessary for the administration of the affairs of the Association and may do all such acts or things set forth in the Condominium Property Act, the Declaration and these By-Laws to be done by the Board of Directors, except as otherwise expressly prohibited.

Section 12. Reconstitution of Board Upon Merger. Notwithstanding anything to the contrary contained in these By-Laws, in the event that the Project is merged with an additional phase or phases as provided in the Declaration of Merger referred to in Section S of the Declaration, a new Board of Directors of the Association as reconstituted by such merger, shall be elected to replace the existing Board, at the meeting called and held pursuant to Article II, Section 4 of these By-Laws. The Board to be elected shall be elected by the members of the Association as reconstituted by such merger in the manner provided in Article III, Section 2 hereof.

Section 13. Conflicts of Interest.

(a) A director shall not vote at any Board meeting on any issue in which the director has a conflict of interest. A director who has a conflict of interest on any issue before the Board shall disclose the nature of the conflict of interest prior to a vote on that issue at the Board meeting, and the minutes of the meeting shall record the fact that a disclosure was made. "Conflict of interest", as used in this section, means an issue in which a director has a direct personal or pecuniary interest not common to other members of the Association.

(b) An owner shall not act as an officer of the Association and an employee of the Managing Agent. An owner who is a Board member and an employee of the Managing Agent shall not participate in any discussion regarding a management contract at a Board meeting and shall be excluded from any executive session of the Board in which the management contract or the Managing Agent will be discussed.

Section 14. Minutes of Meetings.

(a) The minutes of the meetings of the Board of Directors shall include the recorded vote of each Board member on all motions except motions voted on in executive session.

(b) Minutes of meetings of the Board of Directors shall be approved no later than the second succeeding regular meeting.

(c) Minutes of all meetings of the Board of Directors shall be available within seven (7) calendar days after approval, and unapproved final drafts of the minutes

of a meeting shall be available within thirty (30) days after the meeting; provided that the minutes of any executive session may be withheld if their publication would defeat the lawful purpose of the executive session.

Section 15. Action By Directors Without Meeting. Any action required or permitted to be taken at any meeting of the directors or of a committee of the directors may be taken without a meeting if all of the directors or all of the members of the committee, as the case may be, sign a written consent setting forth the action taken or to be taken at any time before or after the intended effective date of such action. Such consent shall be filed with the minutes of the directors' meetings or committee meetings as the case may be and shall have the same effect as a unanimous vote.

Section 16. Communications Means for Directors' Meetings. Subject to the notice requirements contained in these By-Laws, members of the Board of Directors or any committee designated thereby may permit any meeting to be conducted by any means of communication through which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by this means is deemed to be present in person at the meeting. If permitted by the Board, any unit owner may participate in a meeting conducted by a means of communication through which all participants may simultaneously hear each other during the meeting, provided that the Board may require that the unit owner pay for the costs associated with the participation.

Section 17. Duty of Directors. In the performance of their duties, each member of the Board of Directors shall owe the Association a fiduciary duty and exercise the degree of care and loyalty required of a director of a corporation organized under Chapter 414D of the Hawaii Revised Statutes, as amended. Any violation of the mandatory provisions of Section 514B-161 or 514B-162 of the Condominium Property Act by the Board of Directors, or a member of the Board of Directors, may constitute a violation of this fiduciary duty; provided that a Board member may avoid liability under this section by indicating disagreement with such Board action in writing or by rescinding or withdrawing the violating conduct within forty-five (45) days of the occurrence of the initial violation.

Section 18. Copies of Documents. The Association at its expense shall provide all Board members with a current copy of the Declaration, By-Laws, Rules and Regulations, and, annually, a copy of the Condominium Property Act.

Section 19. Expenditure of Association Funds.

(a) Directors shall not expend Association funds for their travel, director's fees, and per diem, unless the owners are informed of the expenditures and a majority of the owners approve of these expenses; provided that, with the approval of the Board, directors may be reimbursed for actual expenditures incurred on behalf of the

Association. The Board meeting minutes shall reflect in detail the items and amounts of the reimbursements.

(b) Directors may expend Association funds, which shall not be deemed to be compensation to the directors, to educate and train themselves in subject areas directly related to their duties and responsibilities as directors; provided that the approved annual operating budget shall include these expenses as separate line items. These expenses may include registration fees, books, videos, tapes, other educational materials, and economy travel expenses. Except for economy travel expenses within the State of Hawaii, all other travel expenses incurred under this subpart shall be subject to the requirements of the foregoing subpart (a) of this section.

ARTICLE VII

COMMON EXPENSES, UNIT EXPENSES, BUDGETS AND RESERVES, AND TAXES

Section 1. Common Expenses, Budgets and Reserves.

(a) The Association shall assess each unit owner for, and each unit owner shall be liable for and pay, a share of the common expenses in proportion to the common interest appurtenant to his unit. In addition to the items otherwise designated in these By-Laws as common expenses, the common expenses of the Project shall include all sums designated as common expenses in Section K of the Declaration. The common expenses may also include such amounts as the Board of Directors may deem appropriate to make up any deficit in the common expenses for any prior year and a replacement reserves fund for the Project. The common expenses may also include such amounts as may be required, by special assessment, for the purchase or lease of any unit by the Board or its nominee, corporate or otherwise, on behalf of the Association, as permitted under Hawaii law or these By-Laws.

Assessments of common expenses shall be payable in monthly installments on the first day of each month, commencing with respect to each unit on the first day of the first month following the issuance by the appropriate county agencies of a temporary or permanent certificate of occupancy for such unit (or if no certificate of occupancy will be issued, the first day of the first month following the date that the Developer determines that such unit is complete enough to be occupied). Payments of assessments for common expenses shall be made to the Association (through the Managing Agent). The Developer shall fix the rate of monthly installments of common expenses until such rate shall be redetermined by the Board of Directors. The Board may from time to time during any year increase the assessment rate or impose a special assessment to make up any existing deficiency whenever for any reason the rate then in effect shall prove inadequate, provided that the Board, either directly or through the Managing Agent or

resident manager, if any, shall send to all unit owners thereby affected written notice of any such increase or special assessment not less than thirty (30) days before the effective date of such increase or assessment. Assessments of limited common expenses shall be payable on the first day of the month following the month in which the notice of the assessment is given to the owner of the unit subject to such assessment.

If, at the end of any year, there should be any excess unspent funds collected by assessments, the same shall be used or applied by the Board, in its sole discretion, (i) to pay common expenses in the following year; or (ii) to be placed in the replacement reserves.

The Developer may assume all the actual common expenses of the Project by stating in the Developer's public report that the unit owner shall not be obligated for the payment of the owner's share of the common expenses until such time the Developer sends the owners written notice that, after a specified date, the unit owners shall be obligated to pay for the portion of common expenses that is allocated to their respective units. If the Developer elects to assume the actual common expenses of the Project as aforesaid, then, notwithstanding any other provisions in these By-Laws to the contrary, the Developer shall have no obligation to pay for any replacement reserves or any other reserve amounts with respect to or attributable to the period during which the Developer assumes the actual common expenses of the Project.

(b) The Board of Directors shall prepare and adopt an annual operating budget, and within thirty (30) days after the adoption of the budget, the Board shall make available a copy of the budget to all the unit owners and shall notify each unit owner that the unit owner may request a copy of the budget. The budget shall include at least the following:

- (i) The estimated revenues and operating expenses of the Association;
- (ii) Information as to whether the budget has been prepared on a cash or accrual basis;
- (iii) The total replacement reserves of the Association as of the date of the budget;
- (iv) The estimated replacement reserves the Association will require to maintain the Project based on a reserve study performed by the Association;
- (v) A general explanation of how the estimated replacement reserves are computed;

- (vi) The amount the Association must collect for the fiscal year to fund the estimated replacement reserves; and
- (vii) Information as to whether the amount the Association must collect for the fiscal year to fund the estimated replacement reserves was calculated using a percent funded or cash flow plan. The method or plan shall not circumvent the estimated replacement reserves amount determined by the reserve study pursuant to subpart (iv).

(c) The Association shall assess the unit owners to either fund a minimum of fifty percent (50%) of the estimated replacement reserves or fund one hundred percent (100%) of the estimated replacement reserves when using a cash flow plan; provided that the Association need not collect estimated replacement reserves until the fiscal year which begins after the Association's first annual meeting. For each fiscal year, the Association shall collect the amount assessed to fund the estimated replacement reserves for that fiscal year, as determined by the Association's plan.

(d) The Association shall compute the estimated replacement reserves by a formula that is based on the estimated life and the estimated capital expenditure or major maintenance required for each part of the Project. The estimated replacement reserves shall include:

- (i) Adjustments for revenues which will be received and expenditures which will be made before the beginning of the fiscal year to which the budget relates; and
- (ii) Separate, designated reserves for each part of the Project for which capital expenditures or major maintenance will exceed \$10,000. Parts of the Project for which capital expenditures or major maintenance will not exceed \$10,000 may be aggregated in a single designated reserve.

(e) Neither the Association, nor the Developer, nor any unit owner, director, officer, Managing Agent, or employee of the Association who makes a good faith effort to calculate the estimated replacement reserves for the Association shall be liable if the estimate subsequently proves incorrect.

(f) Except in emergency situations or with the approval of a majority of the unit owners, the Board may not exceed its total adopted annual operating budget by more than twenty percent (20%) during the fiscal year to which the budget relates. Before imposing or collecting an assessment under this subsection that has not

been approved by a majority of the unit owners, the Board shall adopt a resolution containing written findings as to the necessity of the extraordinary expense involved and why the expense was not or could not have been reasonably foreseen in the budgeting process, and the resolution shall be distributed to the unit owners with the notice of assessment.

(g) The requirements of this section shall override any requirements in the Declaration, these By-Laws or any other Association documents relating to preparation of budgets, calculations of reserve requirements, assessments and funding of reserves, and expenditures from reserves with the exception of:

- (i) Any requirements in the Declaration, these By-Laws or any other Association documents which require the Association to collect more than fifty percent (50%) of reserve requirements; or
- (ii) Any provisions relating to upgrading the common elements, such as additions, improvements, and alterations to the common elements.

(h) The terms "capital expenditure", "cash flow plan", "emergency situation", "major maintenance" and "replacement reserves" shall have the meanings given to them in the Condominium Property Act.

(i) The funds in the general operating account shall not be commingled with funds of other activities such as lease rent collections and rental operations, nor shall the Managing Agent commingle any Association funds with the Managing Agent's own funds.

(j) All funds collected by the Association, or by the Managing Agent for the Association, shall be:

- (i) Deposited in a financial institution, including a federal or community credit union, located in the State of Hawaii, pursuant to a resolution adopted by the Board, and whose deposits are insured by an agency of the United States government;
- (ii) Held by a corporation authorized to do business under Article 8 of Chapter 412 of the Hawaii Revised Statutes, as amended;
- (iii) Held by the United States Treasury;

- (iv) Purchased in the name of and held for the benefit of the Association through a securities broker that is registered with the Securities and Exchange Commission, that has an office in the State of Hawaii, and the accounts of which are held by member firms of the New York Stock Exchange or the National Association of Securities Dealers and insured by the Securities Insurance Protection Corporation; or
- (v) Placed through a federally insured financial institution located in the State of Hawaii for investment in certificates of deposit issued through the Certificate of Deposit Account Registry Service in federally insured financial institutions located in the United States.

(k) All funds collected by the Association or the Managing Agent for the Association shall be invested only in:

- (i) Deposits, investment certificates, savings accounts and certificates of deposit;
- (ii) Obligations of the United States government, the State of Hawaii, or their respective agencies; provided that those obligations shall have stated maturity dates no more than ten (10) years after the purchase date unless approved otherwise by a majority vote of the unit owners at an annual meeting or special meeting of the Association or by written consent of a majority of the unit owners;
- (iii) Mutual funds comprised solely of investments in the obligations of the United States government, the State of Hawaii, or their respective agencies; government money market funds (as defined in the Condominium Property Act); or shares or units of another mutual fund satisfying the requirements of this subsection; provided that those obligations shall have stated maturity dates no more than ten (10) years after the purchase date unless approved otherwise by a majority vote of the unit owners at an annual meeting or special meeting of the Association or by written consent of a majority of the unit owners; or

- (iv) Certificates of deposit issued through the Certificate of Deposit Account Registry Service in an amount at least equal in their market value, but not to exceed their par value, to the amount of the deposit with the depository;

provided that before any investment longer than one (1) year is made by the Association, the Board must approve the action; and provided further that the Board must clearly disclose to owners all investments longer than one (1) year at each annual meeting.

(l) All funds collected by the Association shall only be disbursed by employees of the Association under the supervision of the Board. All funds collected by the Managing Agent from the Association shall be held in a client trust fund account and shall be disbursed only by the Managing Agent or the Managing Agent's employees under the supervision of the Board.

(m) The Managing Agent or the Board shall not, by oral instructions over the telephone, transfer Association funds between accounts, including but not limited to the general operating account and the reserve fund account.

(n) The Managing Agent shall keep and disburse funds collected on behalf of the Association in strict compliance with the property management contract, Chapter 467 of the Hawaii Revised Statutes, as amended, the rules of the Real Estate Commission, and all other applicable laws.

Section 2. Payment as Agent. The Board will pay or cause to be paid, on behalf of the owners all common expenses and limited common expenses. Each owner, as principal, shall be liable for and pay his share, determined as provided in the Declaration and these By-Laws, of all such expenses; and the Board shall be responsible, as agent for each owner, only to transmit the payments made by the owner to third persons to whom such payment must be made by the owner. The Board may require the Managing Agent to assist it in its duties hereunder. The Board or Managing Agent collecting the expenses shall not be liable for payment of such expenses as principal but only as the agent of all owners to transmit said payments to third persons to whom such payments must be made by the owners.

Section 3. Taxes and Assessments. Each owner of a unit shall be obligated to have the real property taxes for such unit and its appurtenant interest in the common elements assessed separately by the proper governmental authority and to pay the amount of all such real property taxes so determined. The foregoing sentence shall apply to all types of taxes which now are or may hereafter be assessed separately by law on each unit and the common interest in the common elements appertaining thereto or the personal property or any other interest of the owner. Each owner shall execute such documents and take such action as may be reasonably specified by the Board to facilitate

dealing with the proper governmental authority regarding such taxes and assessments. Each owner shall be obligated to pay to the Board his proportionate share of any assessment by the Board for any portion of taxes or assessments, if any, assessed against the entire Project or any part of the common elements as a whole and not separately, such payment to be made as directed by the Board. If, in the opinion of the Board, any taxes or assessments may be a lien on the entire Project or any part of the common elements, the Board may pay such taxes or assessments as part of the common expenses. Such assessments by the Board shall be secured by the lien created by Article VII, Section 4 hereof.

Section 4. Default in Payment of Assessments. Each monthly assessment, each limited common expense assessment, and each special assessment shall be the separate, distinct and personal debt and obligation, as of the date of assessment, of the owner against whom the same are assessed and, in the case of a unit owned by more than one person, shall be the joint and several obligation of such co-owners. Any assessment not paid within ten (10) days after the due date thereof shall bear interest at the rate of one percent (1%) per month from such due date until paid and also shall be subject to a late payment charge in such amount as shall be established from time to time by the Board of Directors. The Board of Directors may adopt a policy whereby payments received from unit owners shall be applied toward the indebtedness of such unit owners to the Association in such order as the Board of Directors shall determine. In the event of a default or defaults in payment of any such assessment or assessments and in addition to any other remedies the Board of Directors may have, the Board of Directors may enforce each such obligation as follows:

(a) By suit or suits at law to enforce such assessment obligation. Each such action must be authorized by a majority of the Board at a regular or special meeting thereof, and any such suit may be instituted by any one (1) member of the Board or by the Managing Agent if the latter is so authorized in writing. Each such action shall be brought by the Board in the name of the Board and the Association, and the Board shall be deemed to be acting on behalf of the Association. Any judgment rendered in any such action shall include, where permissible under any law, a sum for attorneys' fees in such amount as the court may adjudge against such defaulting owner. Upon full satisfaction of any such judgment, it shall be the duty of the Board to authorize any two (2) members thereof, acting in the name of the Board and the Association, to execute and deliver to the judgment debtor an appropriate satisfaction thereof.

(b) At any time after the occurrence of any such default, the Board (acting upon the authorization of the majority thereof at any regular or special meeting) may give a notice to the defaulting owner (with a copy to the mortgagee of such owner if such mortgagee has furnished its name and address to the Board) stating the date of the delinquency, the amount of the delinquency and making demand for payment thereof. If such delinquency is not paid within ten (10) days after delivery of such notice, the Board

may file a claim of lien against the unit of such delinquent owner. Such claim of lien shall state (i) the name of the delinquent owner, (ii) a designation of the unit against which the claim of lien is made, (iii) the amount claimed to be due and owing (after the allowance of any proper offset), (iv) that the claim of lien is made by the Board pursuant to the terms of these By-Laws and the Condominium Property Act, and (v) that a lien is claimed against such unit in an amount equal to the net amount of the stated delinquency plus any accrued interest and costs of enforcement, including attorneys' fees, if any. Any such claim of lien shall be signed and acknowledged by any two (2) or more members of the Board, by the attorney for the Association or by the Managing Agent and shall be dated as of the date of the execution by such attorney or the Managing Agent or the last such Board member to execute such claim of lien. Upon recordation of a duly executed original or copy of such claim of lien in the Bureau of Conveyances, the Board shall have all remedies provided in the Condominium Property Act. Each default shall constitute a separate basis for a claim of lien, but a single claim of lien may be recorded with respect to more than one default. The owner of a unit against which such lien of the Association is foreclosed shall pay a reasonable rental for such unit and the plaintiff in such a foreclosure shall be entitled to a receiver to collect the rental owed by the unit owner or any tenant of the unit.

(c) For the purposes of this Section 4, a certificate executed and acknowledged or made under penalty of perjury by any two (2) members of the Board or the Managing Agent shall be conclusive upon the Board and the owners in favor of any and all persons who rely thereon in good faith as to the matters therein contained, and any owner shall be entitled to such a certificate setting forth the amount of any due and unpaid assessments with respect to his unit (or the fact that all assessments due are paid if such is the case) within fifteen (15) days after demand therefor and upon payment of a reasonable fee or service charge, in an amount fixed from time to time by the Board. If any claim of lien is recorded as aforesaid and thereafter the Board receives payment in full of the amount claimed to be due and owing (including accrued interest and any costs of enforcement), then upon demand of the owner and payment of a reasonable fee, the Board, acting by any two (2) members, shall execute, acknowledge and deliver to the owner a release of lien, stating the date of the original claim of lien, the amount claimed, the date, and the document number where the claim of lien is recorded in the Bureau of Conveyances, and that the lien is fully satisfied, released and discharged.

(d) In conjunction with or as an alternative to foreclosure proceedings under Section K of the Declaration, where a unit is owner-occupied, the Association may authorize its Managing Agent or Board of Directors to, after sixty (60) days' written notice to the unit owner and to the unit's first mortgagee of the nonpayment of the unit's share of the common expenses, terminate the delinquent unit's access to the common elements and cease supplying a delinquent unit with any and all services normally supplied or paid for by the Association. Any terminated services and privileges shall be

restored upon payment of all delinquent assessments but need not be restored until payment in full is received.

(e) Before the Board of Directors or Managing Agent may take the actions permitted under subsection (d), the Board shall adopt a written policy providing for such actions and have the policy approved by a majority vote of the unit owners at an annual or special meeting of the Association or by the written consent of a majority of the unit owners.

Section 5. Collection from Tenant.

(a) If the owner of a unit rents or leases the unit and is in default for thirty (30) days or more in the payment of the unit's share of the common expenses or the limited common expenses, the Board of Directors, for as long as the default continues, may demand in writing and receive each month from any tenant occupying the unit, or rental agent renting the unit, an amount sufficient to pay all sums due from the unit owner to the Association, including interest, if any, but the amount shall not exceed the tenant's rent due each month. The tenant's payment under this section shall discharge that amount of payment from the tenant's rent obligation, and any contractual provision to the contrary shall be void as a matter of law.

(b) Before taking any action under this section, the Board shall give to the delinquent unit owner written notice of its intent to collect the rent owed. The notice shall: (i) be sent both by first-class and certified mail; (ii) set forth the exact amount the Association claims is due and owing by the unit owner; and (iii) indicate the intent of the Board to collect such amount from the rent, along with any other amounts that become due and remain unpaid.

(c) The unit owner shall not take any retaliatory action against the tenant for payments made under this section.

(d) The payment of any portion of the unit's share of common expenses and/or limited common expenses by the tenant pursuant to a written demand by the Board is a complete defense, to the extent of the amount demanded and paid by the tenant, in an action for nonpayment of rent brought by the unit owner against a tenant.

(e) The Board may not demand payment from the tenant pursuant to this section if: (i) a commissioner or receiver has been appointed to take charge of the premises pending a mortgage foreclosure; (ii) a mortgagee is in possession pending a mortgage foreclosure; or (iii) the tenant is served with a court order directing payment to a third party.

(f) In the event of any conflict between this section and any provision of Chapter 521 of the Hawaii Revised Statutes, as amended, the conflict shall be resolved in

favor of this section; provided that if the tenant is entitled to an offset of rent under Chapter 521 of the Hawaii Revised Statutes, as amended, the tenant may deduct the offset from the amount due to the Association, up to the limits stated in Chapter 521 of the Hawaii Revised Statutes, as amended. Nothing herein precludes the unit owner or tenant from seeking equitable relief from a court of competent jurisdiction or seeking a judicial determination of the amount owed.

(g) Before the Board may take the actions permitted under subsection (a), the Board shall adopt a written policy providing for the actions and have the policy approved by a majority vote of the unit owners at an annual or special meeting of the Association or by the written consent of a majority of the unit owners.

Section 6. Application of Payments. Any payments made by or on behalf of a unit owner shall first be applied to outstanding common expenses that are assessed to all unit owners in proportion to the common interest appurtenant to their respective units. Only after said outstanding common expenses have been paid in full may the payments be applied to other charges owed to the Association, including assessed charges to the unit such as utility sub-metering, insurance deductibles and cable. After these charges are paid, other charges, including unpaid late fees, legal fees, fines, and interest, may be assessed in accordance with an application of payment policy adopted by the Board; provided that if a unit owner has designated that any payment is for a specific charge that is not a common expense as described in this section, the payment may be applied in accordance with the unit owner's designation even if common expenses remain outstanding.

ARTICLE VIII

MORTGAGES AND MORTGAGEES

Section 1. Notice to Board of Directors. Any unit owner who mortgages his interest in a unit shall notify the Association (through the Board of Directors or the Managing Agent) of the name and address of his mortgagee and shall file a conformed copy of his mortgage with the Association within ten (10) days after the execution of same. The Association shall maintain such information in a book entitled "Mortgages of Units".

Section 2. Notice of Unpaid Common Expenses. The Association, whenever so requested in writing by an owner or holder, insurer or guarantor of a mortgage of a unit and upon payment of a reasonable fee or service charge by the unit owner, in an amount fixed from time to time by the Board, shall promptly report any then unpaid assessments of common expenses or limited common expenses due from the unit owner involved, and if no request is made then notice shall be given as provided in Article V, Section 1(p) hereof.

Section 3. Notice of Default. The Board, when giving notice to a unit owner of a default in paying common expenses or limited common expenses or any other default in performance of any obligations under the Declaration, these By-Laws, the Rules and Regulations or other document of the Association, shall send a copy of such notice to each mortgagee of such unit whose name and address has theretofore been furnished to the Association.

Section 4. Examination of Books. Each mortgagee and each insurer and guarantor of first mortgages that are secured by one or more units in the Project shall be permitted to examine the books and records of the Association at convenient hours of business days.

Section 5. Annual Financial Statement. Any holder, insurer or guarantor of a first mortgage on any unit or any interest therein may request and the Association shall provide said holder, insurer or guarantor with a copy of any such annual financial statement within ninety (90) days following the end of any fiscal year of the Association, upon payment by the holder, insurer or guarantor of a fee equal to the cost of reproduction and postage for mailing of such statement.

Section 6. Right of Access. Each mortgagee and its agents shall have a right of access through the common elements (other than the limited common elements) of the Project for the purpose of passage to any unit on which it holds a mortgage, provided that entry into any such unit or the limited common elements appurtenant thereto by the mortgagee or its agents shall be at the sole risk of the mortgagee and shall be made strictly in accordance with and subject to the terms of its mortgage.

Section 7. Mortgage Protection. Notwithstanding any other provision contained in these By-Laws or the Declaration:

(a) Liens in favor of the Association on any unit and its appurtenant interest in the common elements created by the Declaration, these By-Laws or the Condominium Property Act, shall be subject and subordinate to the rights of the holder of any indebtedness secured by any recorded mortgage of such interests, made for value, that was recorded prior to the recordation of the notice or notices of such liens by the Association, provided that after the foreclosure of any such mortgage there shall be a lien upon the interest of the purchaser at such foreclosure sale to secure all assessments, whether regular or special, assessed to such unit, if falling due after the date of the acquisition of title (as defined in Section K of the Declaration) or pursuant to the Condominium Property Act, which lien shall have the same effect and be enforced in the same manner as provided in Article VII, Section 4 hereof.

(b) All taxes, assessments and charges which may become liens prior to any first mortgage under the laws of the State of Hawaii shall relate only to the individual units and not to the condominium project as a whole.
